# Joint Statement of An Cathaoirleach and of the Mayor

**Cllr. Pat Dunphy,**  
Cathaoirleach,  
Kilkenny County Council

We the Cathaoirleach and Mayor of Kilkenny County and Borough Councils welcome this Annual Report of our respective Local Authorities. 2013 was a year of considerable progress in terms of social and infrastructural initiatives. It was a year characterised by significant investment in the wellbeing of the people of Kilkenny. A wide variety of new projects were put in motion throughout the year. Allied to this, it was the year of The Gathering, rekindling a sense of community, identity and a sense of place. This event awakened and tapped into the international good will that exists towards Ireland in general and amongst the sons and daughters of Kilkenny, around the world, in particular. It is expected that these linkages will generate legacy events, visits and investment in the years ahead.

**Cllr. Martin Brett,**  
Mayor,  
Kilkenny Borough Council

2013 was a year of spectacular wins for Kilkenny as a clean, beautiful and welcoming City. The spirit of our city was well portrayed on the international stage when Kilkenny City was voted Europe's Friendliest City in the Condé Nast survey. This significant accolade was reinforced with the Failte Ireland National Tourism Award. In gaining this award Kilkenny was recognised as the best Tourism Town in Ireland.

The success of business in Kilkenny and the tourism industry in particular is strongly reliant on retaining a pristine environment. This is clearly the case in our County and City. The award of the Tidy Towns Best In Region award allied to a Tidy Town Gold Medal for outstanding performance, recognises the efforts of the local Community and the Local Authorities in maintaining a perfect living space for the resident and the visitor alike. Kilkenny won First Place for the second time in a row on the IBAL Awards, again recognising excellence in environmental effort.

Across the County of Kilkenny the Council maintained a firm focus on sustained improvements to key infrastructure, notably on maintaining our already excellent roads network and the water supply services system. With an emphasis on maintaining the highest standards in service delivery, water supplies achieved 100% compliance across all microbiological parameters. Water conservation projects by 2013 achieved an 18% reduction in levels of unaccounted water. Contracts were signed for new waste water treatment plants for Freshford, Johnstown and Goresbridge. The large waste water facility at Purcellsinch was brought into full compliance with the Urban Waste Water Regulations and the conditions of the EPA Discharge License. Environmental quality was matched with major investment with the announcement that Glanbia PLC will develop a €157 million dairy processing and manufacturing facility at Bellview, worth an estimated €400 million to our rural economy.

# Notable Achievements in 2013

## Roads and Transportation

- The N10 / N76 Kilkenny Ring Road Improvement Scheme, provided for the construction of a footpath and cycle-track along the city-side of the Ring Road, from the Callan Road Roundabout to the Old Dublin Road Roundabout. The scheme also provided for modifications to roundabouts, which included the introduction of two-lane entry and exits with these measures greatly improving the capacity of the junctions. The works were carried out on a phased basis with the initial phase commencing in 2009 and the project was completed in 2013.
- The N77/N78 Hennebry's Junction Improvement Scheme commenced in late 2012 and the scheme was officially opened in June 2013. The scheme provided for the reconfiguration of an existing priority junction to a conventional roundabout layout.
- The R712 Old Dublin Road Improvement Scheme, in the Kilkenny City Environs, was completed in late 2013. The works included footpath and cycle-track reconstruction, pavement resurfacing, traffic calming and drainage improvements.
- The Kilkenny Northern Ring Road Extension and Nore River Crossing – (N77 Castlecomer Road to R693 Freshford Road). . In December 2013 the Environmental Impact Statement and Compulsory Purchase Order was submitted to An Bord Pleanála and it is expected that the Board will make a decision in Quarter 3 2014.
- The N25 New Ross Bypass Scheme was approved by An Bord Pleanála in December 2008. The NRA commenced the tender process for the construction of the scheme under a Public Private Partnership in March 2013. Land acquisition has substantially progressed and works are expected to commence in 2014.
- Kilkenny Central Access Scheme – A Bord Pleanála approved the Central Access Scheme proposals in December 2011. The detailed design of the bridge and approach roads was completed in 2013. A tender prequalification process to identify suitable contractors to construct the scheme was completed in late 2013 and it is expected that the successful candidates will be invited to tender for Phase One- The KCAS Bridge Contract, early in 2014.
- Smarter Travel in Kilkenny City and Environs. The Department of Transport Tourism and Sport provided funding under the Smarter Travel National Cycle Network Programme which allowed for the installation of in excess of 60km of cycle-lanes between Kilkenny and Carlow along the R448, (downgraded old N10/N9). This work was completed in 2013 in partnership with Carlow County Council.

## Planning and Housing

- 613 planning applications were received in 2013.
- The draft development plans for the City and County were prepared in the first half of 2013 following extensive public consultation which took place in 2012.
- In the last quarter of 2013 work began on the preparation of a masterplan for the Diageo lands of the former Smithwick's lands in Kilkenny City.
- 235 Commencement Notices under the Building Regulations were received.
- 95 new houses commenced construction in County Kilkenny.

The current number of applicants on the housing list is 2,152 at end of 2013 with a combined Borough and County Council housing stock of 2,157.

- 88 units became vacant in 2013 with 100 made ready for re-letting
- 142 offers of accommodation were made during 2013.
- 444 units were retrofitted with the assistance of the Department of Environment and SEAI.
- 17 Local Authority houses adapted in 2013 to meet the needs of the disabled.
- Local Property Tax was paid for the first time on Local Authority houses amounted to €96,975 for the last 6 months of 2013.

## Library Services

- The new library for South Kilkenny at Ferrybank attracted over 3,000 members during its first year of opening
- 321,500 library items were issued over 288,914 visits
- 24/7 services continued to be developed with the introduction of Transparent Languages Online through [www.kilkennylibrary.ie](http://www.kilkennylibrary.ie)

## Parks and Amenities

- Three community groups were assisted in the development of playgrounds in Ballyragget, Bennettsbridge and Kilmacow. The playgrounds received financial assistance from Kilkenny County Council and LEADER and technical assistance in procurement and installation from the Parks Department.
- A stone wall building and training course funded by Kilkenny VEC began in Woodstock in late 2013 and will run into 2014. The course invited participants from all walks of a life with an interest in stone wall building and repair with an emphasis on conservation.
- The link road roundabout serving the M9 was developed as a pilot project using a colourful mix of herbaceous plants which will flower year after year, providing colour and a valuable wildlife habitat for insects in particular. This move towards sustainable roadside planting is becoming increasingly important to compensate for loss of biodiversity elsewhere.
- A footpath network was developed in a large area of open space in the Pococke Valley on the Johnswell road. This is phase one of a larger amenity scheme proposed for the area.

## Fire Services and Civil Defence

- 11,950 Kilkenny primary school children have received the community fire safety programme since 2006.
- Extension to Urlingford Fire Station was completed with Dept Environment, Community and Local Government funding.
- A Major Exercise was carried out on one of our Seveso sites- Trans-Stock.
- During 2013 Kilkenny Civil Defence provided assistance to over 20 community events including the Bruce Springsteen Concert in Nowlan Park.
- Civil Defence provided various training courses for over 30 volunteers in our newly acquired Training Facility located at The Maltings building in Kilkenny City.
- Civil Defence purchased a 15 seated Minibus and a 4 wheel drive vehicle from funding provided by the Civil Defence Branch of the Dept. of Defence.

## Waste and Environment

- Dunmore Recycling & Waste Disposal Centre 2013 was a Repak Recycling Centre of the Year finalist for the second year running.
- The Dunmore Community Fund, provided from landfill gate fees, was fully drawn down by the Dunmore Community in 2013, to complete upgrading works on the Community Hall.
- Over 1,000 inspections of a variety of waste facilities were completed under the Enforcement plan with 98 enforcement procedures taken as a result
- An environmental song competition called Eco-Factor was held in association with KCLR96FM. The competition was targeted towards primary schools and Lisnafunchin NS was declared the overall winner
- Kilkenny City topped the IBAL anti- litter league for the second year running, a first for the competition
- 171 Farm Inspections were undertaken by Kilkenny County Council under the European Communities (Good Agricultural Practice for the protection of Waters) Regulations 2010. A further 60 Farm Inspections were undertaken by the Department of Agriculture, Food & the Marine on behalf of Kilkenny County Council in 2013.
- Inspections began in December under the EPA's National Inspection Plan for the inspection of domestic wastewater treatment systems (DWWTS) with 8 inspections completed by the end of the year.
- The Irish Coastguard, on behalf of the Minister for Transport, Tourism and Sport, approved the Oil/HNS Coastal Pollution Response Plan of the Suir Estuary Pollution Response Committee, which is chaired by Kilkenny County Council
- Improvement works were completed at The Weir swimming area on the Bleach Road.
- Implementation of shared veterinary services for County Carlow to fulfil the FSAI contract for both counties.
- Kilkenny Local Authorities completed the signing of the SEAI Partnership with The Sustainable Energy Authority of Ireland (SEAI) in February 2013. The public sector has been challenged to reach verifiable energy-efficiency savings of 33% by 2020.
- Under the Better Energy Communities Scheme, €2.43 million was invested in energy efficiency measures in Kilkenny.

## Arts and Heritage

- Approximately 180 writers participated in Arts Office literary events
- A Kilkenny record breaking 2,946 individuals attended Culture Night events
- Over 300 children participated in our Siamsa Children's Art and Science programme

## Water Services

- In 2013 the Authority produced 9.4 million cubic meters of quality drinking water directly to a population of 73,600 across County Kilkenny.
- For the fourth successive year there was no increase in water and waste water charges. Rates for non-domestic users were € 0.96 per cubic meter for drinking water and € 1.93 per cubic meter for waste water (a combined rate of € 2.89).
- Water supplies achieved 100% compliance across all microbiological parameters

## Economic Development and Tourism

## Roads and Transportation

The N10 / N76 Kilkenny Ring Road Improvement Scheme

### **The N10 / N76 Kilkenny Ring Road Improvement Scheme**

The N10 / N76 Kilkenny Ring Road Improvement Scheme, provided for the construction of a footpath and cycle-track along the city-side of the Ring Road, from the Callan Road Roundabout to the Old Dublin Road Roundabout. This new infrastructure links up with the N77 Ring Road Extension providing a continuous footpath / cycle-track along the entire 8km of the Ring Road. The scheme also provided for modifications to roundabouts, which included the introduction of two-lane entry and exits with these measures greatly improving the capacity of the junctions. The works were carried out on a phased basis with the initial phase commencing in 2009 and the project was completed in 2013.

### **The Newpark Drive Improvement Scheme**

The Newpark Drive Improvement Scheme, in the Eastern Environs of Kilkenny City, commenced in 2009. Works were carried out on a phased basis with the final phase completed in 2013. The scheme provided for the widening of the carriageway to allow unrestricted two-way traffic and the installation of footpaths along both sides of the street.

### **The R712 Old Dublin Road Improvement Scheme**

The R712 Old Dublin Road Improvement Scheme, in the Kilkenny City Environs, was completed in late 2013. The works included footpath and cycle-track reconstruction, pavement resurfacing, traffic calming and drainage improvements.

The N77/N78 Hennebry's Junction Improvement Scheme

### **The N77/N78 Hennebry's Junction Improvement Scheme**

The N77/N78 Hennebry's Junction Improvement Scheme commenced in late 2012 and the scheme was officially opened in June 2013. The scheme provided for the reconfiguration of an existing priority junction to a conventional roundabout layout. The scheme included the provision of two dedicated bus-bays on the N78 and the construction of footpaths along the approach arms to the roundabout.

### **N77 Ballynaslee Road Realignment Scheme**

N77 Ballynaslee Road Realignment Scheme, located north of Ballyragget village - Land acquisition for this scheme was concluded by agreement with the affected landowners in 2013. An Advance Works Contract commenced in late 2013 and is now substantially completed. Tenders for the Main Works Contract will be advertised later this year subject to funding approval from the National Roads Authority.

### **The Kilkenny Northern Ring Road Extension and Nore River Crossing – (N77 Castlecomer Road to R693 Freshford Road).**

Design works commenced on this project in 2007, the Route Selection and Constraints Report was completed in November 2008. As part of the design process a Hydrology Study on River Nore and Flood Plain was undertaken. In December 2013 the Environmental Impact Statement and Compulsory Purchase Order was submitted to An Bord Pleanála and it is expected that the Board will make a decision later this year.

R697 Kells Road Before

### **The R697 Kells Road Improvement Scheme**

The R697 Kells Road Improvement Scheme, in the southern Environs of Kilkenny City, commenced in late 2012 and the scheme was officially opened in December 2013. The scheme allowed for the realignment and widening of the carriageway to what is now a high quality corridor to service the adjoining area and environs. The completion of this scheme also means that all the Arterial routes into the City are now upgraded to a high standard of urban design.

R697 Kells Road After

### **The N25 New Ross Bypass Scheme**

The N25 New Ross Bypass Scheme was approved by An Bord Pleanála in December 2008. The NRA commenced the tender process for the construction of the scheme under a Public Private Partnership in March 2013. Land acquisition has substantially progressed and works are expected to commence in 2014. The Scheme includes the construction of sections of both the N25 and N30 routes. It is envisaged that the PPP Project will comprise works of approximately 16km: 14.8km of dual carriageway (N25 and N30 routes) and 1.2km of single carriageway (New Ross N30 route). Three at-grade roundabout junctions at Glenmore (N25), Ballymacar Bridge (N25) and Corcoran's Cross (N30) and a compact grade separated junction at Camlin (R733) will also be constructed as part of the scheme. The River Barrow crossing will be by way of a 3 tower extrados bridge and the structure will extend for approximately 900 metres from Pink Point in County Kilkenny to Stokestown in County Wexford.

### **Low Cost Safety Improvement Scheme**

Low Cost Safety Improvement Scheme allows accident cluster sites to be identified for treatment on the National and Non-national Road Network. In 2013 nine sites on the National and the Non-national Road Network, within County Kilkenny, were treated at a combined cost of approximately €212,000. The works generally provided for the setting back of roadside boundaries, installation of signage and roadmarking, traffic calming features and the like.

### **Kilkenny Central Access Scheme**

A Bord Pleanála approved the Central Access Scheme proposals in December 2011. The detailed design of the bridge and approach roads was completed in 2013; Section 50 Approval for the bridge structure was obtained from the Office of Public Works in October of the same year. A tender prequalification process to identify suitable contractors to construct the scheme was completed in late 2013 and it is expected that the successful candidates will be invited to tender for Phase One- The KCAS Bridge Contract, early in 2014. Notices of entry were served on property owners early in the year. Under the current programme it is anticipated that Phase One- The KCAS Bridge Contract will commence in mid 2014.

### **N25 Waterford to Glenmore Road Realignment Scheme.**

Following the completion of archaeological and ground investigation works in 2011 there was further work on route selection, traffic analysis and cost to benefit assessment in 2012. The scheme is now in abeyance as directed by the Department of Transport, Tourism and Sport.

2013 witnessed further progress and development of cycle ways, footpaths and bus shelters aimed at creating an appropriate environment for the modal shift to healthier and greener modes of transport.

### **Smarter Travel in Kilkenny City and Environs.**

2013 witnessed further progress and development of cycle ways, footpaths and bus shelters aimed at creating an appropriate environment for the modal shift to healthier and greener modes of transport. Collaborative work undertaken under the auspices of the local Smarter Travel Group strives to achieve greater public awareness through hosting of such events as Smart Saturday, school cycling weeks and cycle training for school children. The Department of Transport Tourism and Sport provided funding under the Smarter Travel National Cycle Network Programme which allowed for the installation of in excess of 60km of cycle-lanes between Kilkenny and Carlow along the R448, (downgraded old N10/N9). This work was completed in 2013 in partnership with Carlow County Council.

### **Active Travel Towns.**

Funding was provided by the Department of Transport Tourism and Sport under the so called Active Travel Towns initiative. Benefitting schemes include the City pedestrian bridge and a feasibility study/report for the Ferrybank area. The latter was concluded in draft form late in 2012.

## Road Safety

The Road Safety Authority has prepared a new National Road Safety Strategy for the period 2013 to 2020. Kilkenny County Council noted that in 2013 there were over 150 successive days in which not a single fatal road accident was recorded in the county. This achievement is very much a factor of drivers assuming greater personal responsibility on the roads allied to the collaboration of all agencies involved in Road Safety Together in Co Kilkenny.

- In parallel with the establishment of the national strategy Kilkenny Local Authorities, in consultation with An Garda Síochána, Ambulance Services, Health Service Executive, Department of Environment, Heritage & Local Government, National Roads Authority, Road Safety Authority and local community representatives, developed the Kilkenny Road Safety Plan 2007-2012.
- In essence this plan seeks to provide for the establishment of coherent policies and actions at local level so as to realise reductions in the numbers of collisions, deaths and injuries on the roads of County Kilkenny.
- It was concluded from the data recovered for the period 2007 to 2009, that the attainment of the overall objective, of achieving a 25% reduction over the six years of the Plan with respect to fatal and serious injury accidents was largely on target.
- The review findings and data interrogation also allowed for a targeted approach in terms of utilising resources to achieve the objectives set-out in the Plan.

### **High Street Improvement Scheme**

In late 2012 Fáilte Ireland approved a funding package for the so called medieval mile project in Kilkenny City. This approval includes financial assistance towards the upgrading of High Street to be carried out over a number of phases to 2014. Work commenced on the construction of new footpaths and on underground services and broadband ducting to business clusters.

### **Lady Desart Bridge.**

The draft design and statutory report for the new pedestrian bridge at Johns Quay, Kilkenny was finalized in 2012. The public consultation phase commenced towards the end of the year and was finalized in early 2013. The bridge construction commenced in September 2013 and was substantially completed by year's end.

## **Parks and Recreation**

The Parks Department was established to oversee the development and maintenance of recreational amenities in Kilkenny City and County. Since its establishment a range of high quality recreational amenities including playgrounds, parks and sports pitches have been provided. The department is also responsible for on-going developments, visitor management and maintenance of Woodstock Gardens and Arboretum in Inistioge which has become a major tourist attraction in the south east.

### **The core services provided are :**

- Playground development and maintenance – We currently have sixteen playgrounds around the county with a further three in development to be completed in 2013.
- These play facilities were developed in conjunction with local communities and many are also maintained with assistance from local communities and local FAS schemes.
- All playgrounds are inspected each week by our own in-house playground inspector for any potential safety issues and are also cleaned each week or more often, where required, to ensure they continue to be safe and clean to use for children.
- The Parks Section have developed a number of city parks, most recently in 2012 the re-development of Lacken Walk which forms part of the overall River Nore Linear Park was officially opened.
- The department maintains Newpark Marsh in the city and has developed further path networks and extensive tree planting here.
- Work to develop a walking/running track was also carried out in Bishops Demesne adjacent to the Fr. McGrath Centre along with the establishment of an outdoor gym.
- A pitch leasing facility is being operated on a number of pitches in the city and environs. These pitches are leased out to clubs for training and matches.
- The all weather mini pitches which are free to use at any time at Newpark, Garringreen and Bishops Demesne are proving to be very popular.

- The pitch at Garringreen was extensively improved by sanding and re-seeding in the summer of 2012 to make it playable for the 2013 season.
- Woodstock Gardens Project – Since the historic Victorian gardens at Woodstock were restored over the past ten years they have become a major tourist destination in the south east and now attract in the region of 35,000 visitors per year. The Council continue to organise events, promote and manage visitors coming to the gardens in addition to carrying out high quality maintenance. Facilities recently added on site include a new children's playground and Tea Room. A very successful outdoor pantomime was hosted in the gardens along with a number of other events such as 10km runs, plant sales. In addition Woodstock is becoming popular for civil ceremonies and in 2012 Woodstock hosted a number of weddings for couples on their big day.
- Administration of Amenity Grants – The amenity grants scheme is administered by the Parks Department. The Grants are available to voluntary community organisations to enhance or maintain local amenities. Over ninety groups were in receipt of grant assistance in 2012.

Woodstock Gardens in Full Colour

The historic Victorian gardens at Woodstock have become a major tourist destination in the south east and now attract in the region of 35,000 visitors per year.

The Parks Department was set up to oversee the development and maintenance of recreational amenities in Kilkenny City and County. Since its establishment the Parks Department has delivered a range of high quality recreational amenities including playgrounds, parks and sports pitches that are used by people of all ages. The Parks Department is also responsible for on-going developments, visitor management and maintenance of Woodstock Gardens and Arboretum in Inistioge which has become a major tourist attraction in the south east.

### **Playground development and maintenance**

There are currently 21 playgrounds around the county with a further two at advanced stages of planning to be completed in 2014. These play facilities were developed in conjunction with local communities and many are also maintained with assistance from local communities and local community employment schemes. Three playgrounds were opened in 2013 in Bennettsbridge, Ballyragget and Kilmacow. These were developed by community groups with grant and technical assistance from the County Council and LEADER.

All playgrounds are inspected each week by our own in-house playground inspector for any potential safety issues and are also cleaned each week or more often, where required, to ensure they continue to be safe and clean to use for children.

### **Park development and maintenance**

The Parks Section have responsibility for development and maintenance of parks in the city and county. The River Nore Linear Park along with Newpark Marsh and Garringreen neighbourhood park and the recently developed Bishops Demesne are the main city parks.

### **Pitches development and maintenance**

The Parks Department operate a pitch leasing facility on a number of pitches in the city and environs. These pitches are leased out to clubs for training and matches. We also have a number very popular all weather mini pitches which are free to use at any time at Newpark, Garringreen and Bishops Demesne. The pitch at Garringreen was extensively improved by sanding and re-seeding in the summer of 2013 to make it playable for the 2014 season.

### **Woodstock Gardens Project**

Since the historic Victorian gardens at Woodstock were restored over the past twelve years they have become a major tourist destination in the south east and now attract in the region of 35,000 visitors per year. Parks staff continue to organise events, promote and manage visitors coming to the gardens in addition to carrying out high quality maintenance. We hosted a very successful outdoor pantomime in the gardens along with a number of other events such as 10km runs, Operation Transformation Walks and many other family events for Heritage Week.

Thanks to assistance from the Kilkenny VEC, a stone masonry training course started in Woodstock in November. The training course was open to all with the emphasis on conservation stone wall building.

In addition Woodstock is becoming popular for civil ceremonies and in 2013 Woodstock hosted a number of weddings for couples on their big day.

### **Administration of Amenity Grants**

The Parks Department administered the amenity grants scheme which is available to voluntary community organisations to enhance or maintain local amenities. Eighty three groups were in receipt of grant assistance in 2013.

## **Fire Services**

Station Officers of Kilkenny Fire and Rescue Service

### **Kilkenny Fire and Rescue Service main functions are:**

- Providing emergency cover for all types of incidents (fires, road traffic accidents, flooding, oil spills, hazardous chemical incidents, etc.) in County Kilkenny.
- Ensuring the fire safety of public premises by providing advice and enforcing the appropriate legislation for both new and existing premises.
- Advising and educating the public on fire safety matters.

There were a total of 636 incident responses in 2013, this is a reduction from 661 incidents in 2012. The average time to turn out the fire brigades was 6 minutes 45 seconds for fires and 6 minutes 46 seconds for other types of incidents.

### **Capital Projects**

A new fire engine has been ordered for Kilkenny City Fire Brigade at a cost of approximately €320,000. This will be delivered in Spring 2014 and is being funded by the DoEHLG. Funding was also provided for the purchase of 4 thermal imaging cameras and for an extension and improvements to Urlingford Fire Station.

### **Fire Safety Certificates**

93 applications for fire safety certificates were received in 2013. These applications were dealt with in-house by the fire prevention staff. This is an increase from 2012 when 73 applications were received.

### **Fire Services Act**

Fire Prevention staff made a considerable number of visits to premises both to provide advice and to enforce legislation.

- 1 Fire Safety Notice under the Fire Services Act was served in 2013.
- The programme to focus on fire safety in large retail premises was continued, with a number of premises being visited. This programme will be completed in the first half of 2014.

The Annual Christmas Charity Collection raised funds for two local charities

Fire-fighters take complete the Mount Everest Ladder Climb

### **Community Fire Safety**

The 2013 Primary Schools Programme was provided by Fire Services personnel. The objective of this is to raise awareness of fire safety amongst primary school children and their families. This programme is delivered to children in 3<sup>rd</sup> class in all the primary schools in County Kilkenny.

Kilkenny Fire Station and other fire stations continued to facilitate school visits.

### **Voluntary Fundraising**

Fire-fighters and ambulance personnel partook in the now annual Christmas Charity Collection with the funds going to two local charities. The fire-fighters also raised funds at the May Bank Holiday weekend with the Mount Everest Ladder Climb.

### **World Police and Fire Games.**

The World Police and Fire Games took place in Northern Ireland in 2013 and 11 members of Kilkenny Fire Service competed in various disciplines. They won 2 gold and 1 silver medal.

## **Major Emergency Management**

The County Council's Major Emergency Plan was reviewed and amended during 2013.

The County has three establishments which fall under the Seveso Regulations due to the volume and type of dangerous goods stored there. Of these three sites, two have External Emergency Plans and the plan for the 3<sup>rd</sup> was created in 2012 and tested during 2013. This work was delivered in co-operation with the HSE and An Garda Síochána.

A Coastal Pollution Plan for the County's tidal foreshores was prepared by the Council County in co-operation with the other Local and Harbour Authorities in the Suir/Barrow Estuary. The plan was approved by the Irish Coast Guard; this plan will now form the backbone of any response to a coastal pollution emergency in the Suir/Barrow Estuary. This plan was tested during 2013.

Extensive training was delivered to staff of Kilkenny County Council, the Health Services Executive (HSE) and to members of An Garda Síochána in relation to Major Emergency Management

## Civil Defence

Civil Defence provided assistance to over 20 community events ranging from Gymkhanas to County Finals to River based charitable events.

Kilkenny Civil Defence is a volunteer based organisation where its members are proud to serve as a high quality auxiliary service supporting the principle emergency services and the local community. Kilkenny Civil Defence is a key stakeholder in Kilkenny Local Authorities response to Major Emergencies.

### Community Events

During 2013 Kilkenny Civil Defence provided assistance to over 20 community events ranging from Gymkhanas to County Finals to River based charitable events. The largest event this year was the Bruce Springsteen Concert in Nowlan Park on the 27<sup>th</sup> and 28<sup>th</sup> of July. Kilkenny Civil Defence had over 45 volunteers on site at any one time providing medical assistance to patrons at the concert. All people requiring treatment at the events were treated by fully trained responders and practitioners.

### Premises

In September of this year Kilkenny Civil Defence moved into their new fully equipped Training Facility located at The Maltings building in Kilkenny City. The building was purchased by Kilkenny Local Authorities for use by Kilkenny Civil Defence in appreciation for their commitment and work for Kilkenny Local Authorities.

### Vehicles and Equipment

This year Kilkenny Civil Defence received funding for the purchase of a 15 seat Minibus and a 4 wheel drive vehicle from the Civil Defence Branch of the Dept. of Defence. Funding for the vehicles was granted to maintain the high standard of fleet and volunteers within Kilkenny Civil Defence.

## Corporate Services

The Corporate Services Department is responsible for the provision and management of a very wide range of services, which include Elected Member support and administration, County Council Meetings, Building & Facilities Management, Register of Electors and Insurances.

### Register of Electors

The Annual Register is published on 1<sup>st</sup> February each year and is a list of all persons aged 18 years or over, resident in the State, who are entitled to vote in Elections to the Dail, European Assembly, Presidential, Local Elections and Referenda.

A Boundary Commission had been appointed by the Minister for Environment, Community & Local Government to examine & make recommendations of changes to Electoral Area Boundaries and its report was published in 2013. Its recommendations were accepted by the Minister for Environment Community & Local Government. The Commission recommended the abolition of Kilkenny Borough Council, a reduction in membership of Kilkenny County Council from 26 to 24 members the reduction in Electoral Areas from 5 to 4 each comprising 6 members as follows: Castlecomer, Kilkenny City East, Kilkenny City West, & Piltown.

In anticipation of legislation to give effect to the revised Electoral Areas the Draft Register of Electors was prepared and is based on the revised Electoral Areas as follows:

Local Electoral Area	Number of Electors on Register
Castlecomer	17,063
Kilkenny City West	16,803
Kilkenny City East	16,230
Piltown	17,125
<b>Total</b>	<b>67,221</b>

The European Constituencies were also revised and Kilkenny is in the (Ireland) South Constituency.

The Register to be published on the 1<sup>st</sup> February 2014 will reflect all boundary & Constituency changes and will be the Register that will be in force for the forthcoming Local & European Elections to be held in May 2014.

The Register is available in Post Offices, Libraries and Garda Stations which provides people with the opportunity to check if they are on it.

A website is also available for this purpose [www.checktheregister.ie](http://www.checktheregister.ie).

A person, for whatever reason, who is not included on the published register, or has moved from one address to another, may apply to be included on a supplement to the register.

## Human Resources

The Human Resources Department deals with the following areas:

- Human Resource Strategy
- Workforce Planning
- Recruitment and Selection
- Payroll and Superannuation
- Employee Training and Development
- Performance Management
- Leadership Development
- Equality
- Diversity Management

- Employee Health, Safety and Welfare

### Staffing Levels

Staffing numbers continued to reduce in 2013. The number of staff employed at 31/12/2013 was 620 (Headcount) or 529.52 (Whole-Time-Equivalent) which is a 22% reduction on 2007 levels.

### Haddington Road Agreement

The Councils implemented the Haddington Road Agreement (HRA) from 1<sup>st</sup> July 2013. The main changes implemented under this Public Service Stability Agreement were as follows:

- Increase working week from 35 hours a week to a 37 hours a week.
- Decrease in Overtime rates and no payment for the first hour of overtime
- Various Incremental Freezes
- Reduction to Annual Leave to a maximum of 6 days / Cash equivalent
- Pay reduction of 5.5% - 8% for those on higher salaries.

Pay savings in the six month period to 31/12/2013 under HRA amounted to €125,000 and the amount of €156,000 by way of 13,000 additional hours productivity was also achieved under the Agreement.

### Performance Management

The Councils Performance Management and Development System was revised in 2013. The main revisions include performance evaluation & ratings and the linkage of performance to pay. A comprehensive training programme was delivered to staff in 2013 on the revised arrangements.

### Training and Development

Kilkenny Local Authorities are committed to ensuring the professional and personal development of all staff within Kilkenny Local Authorities. Training, learning and development are aimed at helping employees to become more effective in their jobs and developing their potential. A comprehensive training programme was delivered in 2013.

### **Attendance Management**

The Local Government Sectors Attendance Management Policy was revised in 2013 and revised sick pay schemes were introduced for the Sector. Further revisions will be implemented in 2014. The percentage of working days lost continued to reduce to 3.82% and is well on the way to meeting and exceeding the Sectors target of 3.5%

### **Internal Audit**

The Council operates an Internal Audit unit which is independent, and provides assurance as to the efficient operation of financial, management and operational controls in the Council.

The unit is an essential element of corporate governance. Key achievements include the following.

The Internal Audit unit provides reports and updates to the County and City Manager regarding the operation of controls in the County & Borough Councils. Internal Audit reports are presented to the Councils Audit Committee. The Audit committee is a sub-committee of the Council comprising of two

Councillors and three external experts. The Audit Committee produce an annual report for the Council regarding its work and the management controls of the Council.

In 2013 Internal Audit made 24 recommendations to management, each recommendation was accepted and implemented or is under implementation so as to improve management controls. In 2013 the Councils Audit Unit provided support to the County Enterprise Board's Internal Audit function. In 2013 Kilkenny County Council Internal Audit Unit continued to work closely with the Internal Audit Units of Carlow, South Tipperary, Waterford City, Waterford County and Wexford Councils to increase auditing efficiencies in the South East.

### **Health, Safety and Welfare at Work**

The year 2013 saw matters of Health and Safety thoroughly addressed across all service areas by means of an all inclusive Safety Management System. Some of the key initiatives implemented included the following;

- 61 National Guidance Health & Safety Policy & Procedures were signed off as Kilkenny Local Authorities H&S Policies and Procedures on 01/02/13.
- Working groups have been set up to deal with high priority/ high risk policies and procedures as follows

## Community and Culture

The vision is that local government will be the main structure or agent of governance and public services at local level.

### Supports for Social Inclusion – Social Inclusion Seminar

As part of our ongoing commitment in supporting the community and voluntary sector, and particularly the social inclusion sector the Community and Culture Section hosted a one day seminar that brought together social inclusion groups working on the ground in Kilkenny to inform them of the changes outlined in Putting People First: Action Programme for Effective Local Government is the new framework for which local and community development will operate. Putting People First: Action Programme for Effective Local Government. The vision is that local government will be the main structure or agent of governance and public services at local level. This new structure will lead out on economic, social and community development, which aims to deliver efficient and good value services, and representing citizens and local communities effectively and accountably. The Minister announced the Local Government Bill 2013 to fundamentally reform the local government system in Ireland in October 2013.

The seminar was held on November 4, 2013 and 52 participants were involved in 4 workshops that were designed to organise peoples thinking about social inclusion and how it could be included in the new Local Community Development Committee (LCDC). It is hoped that this group will form part of an independent grouping within the Community and Voluntary sector to ensure a clear social inclusion voice is heard and a representative part of the new LCDC structure in Kilkenny.

### Kilkenny Age Friendly Communities Project

Born to Knit May – August 2012

*This INTERREG funded project had 450 participants engaged over the 3 years of the programme across the all activities.*

Kilkenny Integration Programme

### **Kilkenny Integration Forum**

The Community and Culture section continues to support the work of the Kilkenny Integration Forum who this year were successful in their application to the Community Foundation for Ireland Caring Communities Fund for a Voter Education and training programme- to highlight the voting rights of migrants living in Ireland in relation to the Local and EU elections being held in 2014. This action was outlined in the Kilkenny Integration Forum's 5 year Integration Strategy for Kilkenny "Uniting the Diverse".

### **Kilkenny Traveller Interagency Group**

The Community and Culture Section have been supporting the development of Traveller participation in the Kilkenny Traveller Community Movement over the past two years; the aim is to have a strong representative Traveller Group that can participate in local structures. In 2013 Kilkenny County Council supported the employment of the Traveller participation workers and a Traveller Community Profile that will inform the integrated service provision for Travellers living in Kilkenny over the coming years.

Kilkenny Traveller Interagency Group

### Ferrybank Development Project

Through the work of the Community & Culture Department there has been a refocus on the Ferrybank and District area from a strategic community development perspective. Following ongoing work in this area during the latter part of the year, Kilkenny County Council working in partnership with Waterford City Council and with the support from Kilkenny LEADER Partnership, Waterford Area Partnership and the local community have agreed and are committed to developing a new 5 year strategic plan for the Ferrybank area, which will be developed in accordance with community development best practices and approaches. This strategic planning work will take place in the first half of 2014.

## Planning and Development

The role and function of Kilkenny County Council's Planning Department is to determine the physical planning policy of the County, to control new development and building and the promotion of industrial, commercial and other appropriate development.

### Forward Planning

- The draft development plans for the City and County were prepared in the first half of 2013 following extensive public consultation which took place in 2012.
- Both plans were placed on public display on the 14<sup>th</sup> June 2013 for a 10 week public consultation period.
- Eight Information Sessions were held around the County in July in Kilkenny City, Castlecomer, Ferrybank, Loughboy, Graiguenamanagh, Urlingford, Callan and Thomastown.
- Leaflet entitled "Draft Development Plans for Kilkenny County and City and Environs 2014-2020, Your Plan, Your future" was published and distributed at the Information Sessions, the Planning public counters, and at planning clinics.
- The website was regularly updated throughout the public display period.
- Two videos were produced, one outlining what could be expected at the Information Sessions, and one giving details on how to make a submission.
- 77 submissions were received during the public consultation period. All submissions received were uploaded to the website so that members of the public could view them as they came in.
- Manager's report detailing the manager's response to the issues raised and recommendations to the members on the issues arising out of the consultation process was prepared.
- Members considered the Manager's report during the final quarter of 2013 with a view to publishing a list of amendments to the draft plans in the first quarter of 2014.
- In the last quarter of 2013 work began on the preparation of a masterplan for the Diageo lands of the former Smithwick's lands in Kilkenny City.
  - The masterplan will be finalised in first quarter of 2014.

The library service continued to expand its 24/7 services through its website [www.kilkennylibrary.ie](http://www.kilkennylibrary.ie).

## Library Services

Kilkenny County Library Service, through its collections, services and service points, promotes and supports reading and literacy, lifelong learning, access to and use of IT, heritage and culture and social inclusion.

### New City Library

Plans for the new City library are at an advanced stage. Demolition works on the site were substantially completed in 2013. The next stages of the project are archaeological resolution, detailed design and an open competition for short-listing of suitable building contractors. The floor area of the new library is approx 1,400m<sup>2</sup> and the estimated construction cost is €4.5 million.

### Ferrybank

Ferrybank Library for South Kilkenny celebrated its first birthday in December. It caters for the local community through: services to adults and children; a programme of events; use of its community room; and the availability of WIFI. Over 3,000 people joined the library during its first year of business.

### 24/7 services

The library service continued to expand its 24/7 services through its website [www.kilkennylibrary.ie](http://www.kilkennylibrary.ie). Transparent Languages Online provided a new opportunity for library members to learn one or more of 80 languages - including Irish, and English as a foreign language. This new service is in addition to the Naxos Music Online and Britannica Online services.

### Events and Activities

The libraries hosted a diversity of groups including book clubs, historical societies, craft clubs, Active Retired, Parent and Toddler, English conversation classes and Irish conversation groups e.g. Ciorcal Comhrá Loch Buí.

Kilkenny County Library continued to develop partnerships/linkages with local and national organisations e.g. KCC Arts Office, Poetry Ireland, the Irish Writers' Centre, SOLAS, Age Action, WordAid, and Kilkenny County Childcare Committee, Foroige etc. resulting in a range of different activities. These included creative writing, teen poetry and publishing workshops/days, basic Information Communication Technology classes and numeracy and literacy support.

National and local events were suitably celebrated during the year, such as Bealtaine, International Women's Day, Culture Night, Heritage Week, Science Week, All Ireland Poetry Day, the Children's Book Festival, Savour Kilkenny and the Graiguenamanagh Town of Books Festival.

The Gathering was marked by libraries all over Ireland, through the publication of sets of commemorative postcards of each county. Kilkenny Library Service's set incorporated historic and present day photographs of Kilkenny City, Johnstown, Castlecomer, Piltown and Graiguenamanagh. The Kilkenny City, High Street scenes were also incorporated in the new library reader card.

Culture Night

Visits by authors of adult and children's books were regular events and complimented the Six Book Challenge for adults and Summer Reading Challenge for children held during the year. Class visits by local schools were ongoing during the year.

#### 2013 statistics

- 288,914 visits to Libraries
- 285,716 books and 35,784 CD's, DVD's, language courses, talking books and magazines etc. were borrowed.
- 29, 877 Internet Sessions were undertaken

The arts play an integral role in the life of Kilkenny, from local community groups to micro-enterprises, from solo practitioners to national organisations.

## Arts

### Introduction

Creativity is evident in every aspect of Kilkenny life, from the ancient stonework and architecture of heritage sites to the contemporary and traditional art, craft and design to be found in galleries and design studios the length and breadth of the county. The variety of festivals and events throughout the year also bear testimony to the strength of this creative tradition. The arts play an integral role in the life of Kilkenny, from local community groups to micro-enterprises, from solo practitioners to national organisations. Kilkenny has a long history of cultivating and showcasing the arts in its many guises. Creative practitioners have resided in Kilkenny for many years and have provided a rich legacy for the county.

### Arts Office Overview

The Arts Office works to develop, co-ordinate, motivate, inspire and empower artistic activity throughout the city and county. It promotes the arts as a worthwhile activity for all, providing advice and support for groups and for individuals. Both Authorities work to further strengthen Kilkenny's position as a centre of excellence for the arts and ensure a successful and prosperous arts environment within the region. We focus on the development of the practitioner and their work and engage and employ artists and support staff in projects. We offer professional and practice development initiatives across all art forms, work to extend audiences and offer community and educational activities building capacity and increasing civic participation. The Arts Office continues to collaborate and partner with a number of other agencies in order to deliver our initiatives as we recognise this as key to maintaining and developing activity.

Drawbots Tinkering Studio

Culture Night 2013 saw a record amount of diverse cultural organisations, groups, individuals and audiences transform Kilkenny for the evening of Friday 20<sup>th</sup> September to celebrate the arts in all its guises. The evening encouraged the Kilkenny public and its visitors to experience the myriad of cultural possibilities Kilkenny had to offer for free, even on the move, with this year's 'FREE BEATS!' music on the streets proving to be a huge success. 3,066 people engaged in Kilkenny's Culture Night.

Siamsa Learning

Siamsa is a fun child centred programme for 5 to 13 year olds supporting children in developing a variety of creative skills and working across a diverse range of media and subject matters. The focus for 2013 was on arts and science working together. These workshops were a great opportunity for the children to work with a professional artist and scientist furthering their creativity, using their imagination and being resourceful in a fun and relaxed environment. A total of 182 participated in Siamsa in 2013.

### Literature

The 13<sup>th</sup> issue of the Kilkenny Poetry Broadsheet saw the work of 12 local poets published from an entry of 103 poems. Working in partnership with the Library service, the Irish Writers Centre and Poetry Ireland we organised workshops in Creative Prose, Poetry for adults and teenagers, Short Story and Publishing engaged 122 local writers overall.

Open Circle Community Arts Collective is a new project borne out of the 5-6 women's project. Its mission is to inspire interest and maximum participation in the arts both locally and nationally. 2013 also saw new relationships forged with professional cultural organisations including Blackstack Fine Art Print Studio and Kilkenny ETB. The participants also worked with professional practitioners enhancing, broadening and supporting activities and civic participation.

### Artlinks

A partnership program with Carlow, Wexford, and Waterford County Council, once again offered a quality and accessible Arts Professional Development programme for practitioners across all disciplines. Through the Artlinks Mentoring Programme eight individuals got a mentoring opportunity with a professional artist in their respective areas. A further nine Kilkenny based artists were awarded bursaries to aid their artistic practise. Mary Butler, Arts Officer, states: 'Kilkenny Arts Office is delighted to be in a position to offer this mentoring support to local artists as part of the ArtLinks programme. We believe that this is an invaluable resource which will assist artists living and working in the county to develop themselves and their artistic practice. We look forward to watching their development and seeing the fruits of their artistic labour in the future.'

Arts Access and Disability Training provided awareness training about access to the arts for all people. This was a collaborative project between the Arts Office, Access Department and Community and Culture Departments. We were keen to inform on a broad level, to initiate dialogue and essentially to effect change. Therefore we provided organisations the opportunity to attend free interactive workshops focussed on embedding accessibility within Kilkenny's Creative sector to make the Arts Accessible for Everyone. The 2013 programme also undertook a full access audit of KCAT Art and Study Centre, two route appraisals with Barnstorm Theatre Company and the Watergate theatre. We also explored the development of printed material, websites and further training into 2014.

Making Space community arts programme exposed participants to and involved them in a holistic creative journey, ensuring social interaction and the learning of new skills along the way. This project promoted community participation and social wellbeing; it also endeavoured to create a collective sense whereby people were active parts of the social fabric of society through the creation of opportunities that connected communities. 60 participants created and 185 attended the exhibition. The engagement of a local poet offered also added immensely to the project. This project was funded through the INTERREG Ireland Wales Programme 4A, Kilkenny County Council's Arts Office and Community and Culture Departments and the Arts Council of Ireland.

### **JobBridge**

Kilkenny County Council Arts Office has piloted the development of the JobBridge Expansion Scheme by creating internship places in four city and county based arts organisations and projects that would until now, have been precluded from using the scheme. This development will provide an opportunity for people who are interested in pursuing a career in the arts to avail of high quality internship opportunities in the creative sector. The four internships include a community artist position, curatorial assistant and two Arts Administrator working across Kilkenny Arts Office, Blackstack Fine Art Print Studio, Open Circle Community Arts Collective, Workhouse Assembly Callan and Sessions House Thomastown.

### **Art and Culture in the Community**

In 2013 Kilkenny County Council Arts Office in partnership with the Community and Culture Department of Kilkenny County Council embarked on another very exciting participatory art project. We once again gathered and worked with individuals and groups across the community, and across the generations, to create an intergenerational space designed to create community cohesion and intergenerational exchanges that last beyond the life of the project.

The project promoted community participation and social wellbeing; it also endeavoured to create a collective sense whereby people are active parts of the social fabric of society through the creation of opportunities that connect communities, offer a sense of solidarity across the generations and across the county.

As part of the project we invited poet Myra McAuliffe to join the project. Myra joined in all activities but she also chatted and observed in order to write a number of poems that told the story of the project and very much reflected on activities and conversations had.

## 2.3

# Finance and Economic Development

The services being provided under this directorate are Financial Planning & Programming, Income Collection, Procurement, Economic Development and Motor Taxation.

### Income & Expenditure Account

A deficit of €154,000 was brought forward on the Income & Expenditure (I & E) Account to 2013.

The deficit was reduced by €14,000 during 2013 as strict budgetary controls were maintained by the Council on a total expenditure budget of approx €69m.

This budget adherence occurred in a period of continued testing and challenging economic circumstances which has seen very substantial reductions in Council income, whether central exchequer or locally derived.

### Balance Sheet at 31<sup>st</sup> December 2013

The Council has a strong balance sheet at the end of 2013 and its financial position has strengthened considerably over the period 2000 to 2013.

The Council is devoting considerable time and effort to debt collection, and, while collection levels have fallen, Council performance in this area compares well against other local authorities.

### Capital Project Funding Arrangements

The Council adopted a capital budget for the period 2013-2015. This budget outlines the proposed capital projects and related funding sources for the three years concerned.

The Council requires an identified funding source before it can initiate capital projects.

Projects are funded through a variety of sources and the Council's ability to progress capital projects across all its service areas is very dependent on sufficient funds being available to commit to the projects in question. This is becoming increasingly difficult given the deterioration in the prevailing economic environment and the severe pressures on national exchequer funding.

### New Initiatives in 2013

- Current financial constraints mean the Council must meet increased demand with fewer resources.
- The Council participated in a number of national projects during 2013 including evaluating and planning a local government Treasury Management Shared Service System, a Business Process Improvement project for accounts payable and debt collection.

The Council has a strong balance sheet at the end of 2013 and its financial position has strengthened considerably over the period 2000 to 2013.

- The process of continuous business improvement will continue to mitigate the impact of reduced resources on services provision.
- More than ever it is essential to have effective performance management and cost control. The Council remains focussed on delivering value for money services and capital projects where resources permit, even in an increasingly challenging economic environment.

## Procurement

### **Kilkenny Local Authorities (KLA) Procurement Unit**

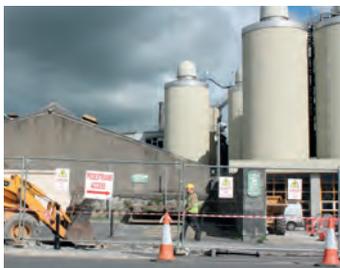

The Procurement Unit is operational since September 2010 and is involved in directing and controlling all procurement or purchasing spend. Initially the Unit's concentration has been on analysing the big spend items and the biggest suppliers. The Unit's objectives are to ensure that a proper procurement process has been completed and that KLA achieve value for money, savings and other efficiencies where possible on its procurement activities. The Procurement Unit provides direction to the relevant section or Service Area which is undertaking the procurement in question.

Nationally, the Procurement Unit liaises with the National Procurement Service (NPS) which has recently been subsumed into the new Office of Government Procurement (OGP) attached to the Department of Public Expenditure and Reform (DPER). It also liaises with the Construction Advisory section of DPER in respect of construction matters and Kerry County Council who act as the National Procurement Office for Local Authorities for both LA Quotes Frameworks and other relevant procurement activities.

The main achievements of the Procurement Unit in 2013 were as follows:

- Use of major NPS Framework for Energy (Electricity/Gas) Supply in 2013 and valuable assistance received from Carlow/Kilkenny Energy Agency (CKEA) in monitoring this new Framework
- Liaison with CKEA and the Council's new Energy Management Committee set up in 2013 regarding various energy efficient procurement matters
- Continued use of LA Quotes Frameworks to drawdown significant supplies of Road Making Materials, Plant Hire for all Engineering Areas and supplies of Bulk Fuel for the Machinery Yard and the Castlecomer Area
- Introduction of the NPS Fuel Card system for purchases of diesel from local outlets in Callan Area and by Fire Services where bulk fuel supplies are not available
- Tender Competition held and finalised for the renewal of the Council's Housing Construction Panel. The construction companies admitted to the Panel compete for subsequent tenders in respect of minor building and civil works: all major building works and construction projects will continue to be the subject of a separate tender process

The key economic drivers of the county and region of agri-food, tourism, innovation in services, and education remain at the core of Kilkenny's economic development agenda and drive enterprise focused activities.

The Smithwick's site in the city

- Continued centralised purchasing system in County Hall and Machinery Yard for the drawdown of goods and services from other available NPS Frameworks including Paper/Office Supplies, Media Advertising and Personal Protective Equipment
- Tender Mini Competition under NPS Managed Print Services Framework held and finalised for the appointment of supplier to reduce printing and operational costs
- Continued monitoring of the Council's 6 Legal Services Frameworks and the commissioning of specific procurement legal advices for service areas to the nominated Solicitor when required
- Tender Competition for a framework panel of suppliers of books to the County Library service
- Assistance to Roads, Water Services and Corporate Services regarding use of revised Government Guidelines introduced by DPER to assist the construction sector so as to ensure that only appropriate levels of previous turnover, performance bonds and insurances are requested in significant works or consultancy tender competitions
- Ongoing assistance and advice to Service Areas in respect of other tender competitions published on the Government procurement website eTenders and
- Updating of the Council's internal Procurement Procedures documentation.

## Economic Development & Tourism

The Economic Development Unit acts as a one-stop-shop for businesses establishing and expanding in the county, liaising with Government Departments and Agencies in supporting enterprise development. The key economic drivers of the county and region of agri-food, tourism, innovation in services, and education remain at the core of Kilkenny's economic development agenda and drive enterprise focused activities. The team work closely with infrastructure providers to optimise the city and county for further investment.

### The core activities centre on the following

- Strategic management of Kilkenny's industrial properties and assets – ensuring appropriate serviced sites and buildings are available for companies and businesses locating in the city and county. This involves progressing plans and completing purchase of the Smithwick's site in the city and designing plans to develop the business and innovation centre – 'The Abbey Creative Quarter' at the Diageo site.
- Negotiating with Diageo's management team and Failte Ireland in terms of expanding and redeveloping the new Smithwick's/St Francis Abbey visitor Experience
- Supporting Waterford Institute of Technology and Carlow Institute of Technology's drive towards achieving Technological University of the South East Status.

It is estimated that over 5,000 additional visitors visited Kilkenny as a result of the Gathering 2013.

Joe Crockett, Mayor Sean o'hArgáin and Mairead Conway of IPB welcome the Kilkenny ambassadors Evanne ni Chuilinn, Bobby Kerr and Darren Holden to the Launch of the Gathering schedule of events 2013

- The TSSG Research and Innovation Centre continued to focus on develop relationships with existing companies in Kilkenny and the South east region. Continued growth of WIT's highly successful TSSG group has greatly enhanced the academic profile of Kilkenny as a centre of innovation and creativity. The TSSG/WIT/IT Carlow/NUIG research and innovation centre in Kilkenny expanded to capacity at the St Kieran's college campus, employing 15 engineering positions.
- The technical working group established as a result of discussions from the CEO Agri-Food Kilkenny Group progressed to engagement with Teagasc, the EPA, the Dept. of Agriculture, the Dept. of the Environment, Community and Local Government, the River Basin Catchment Management Team and the Council to examine environmental management issues. This group liaised at a national level with Dept. of Agriculture and River Catchment Management, with Kilkenny designated a pilot programme and rolling out the model developed to other Authorities focusing on infrastructural preparation for Harvest 2020
- The economic development unit supported local initiatives such as the Castlecomer enterprise centre to facilitate and develop linkages with the business community and create employment opportunities
- Stakeholders continued to develop the role of tourism and the development of a high quality and diverse tourism product throughout the county in a balanced and sustainable manner. Protect, conserve and enhance the county's built, natural and cultural environment. Kilkenny Tourism had a particularly successful year – winning IBAL cleanest Town 2013, Ireland's best Tourist town award and two restaurants achieved Michelin star status. An extensive PR & Marketing campaign supported dissemination of each good news story and traffic to Kilkenny tourism website increased significantly.
- Kilkenny County Council was instrumental in co-ordinating The Gathering in 2013 organising community briefings and engaging with the public to generate over 70 gathering events supported and administered by a voluntary steering committee of stakeholders. It is estimated that over 5,000 additional visitors visited Kilkenny as a result of the Gathering 2013. One of Kilkenny's three flagship Gathering events supported by IPB Insurance – Tradfest – was shortlisted in the Chambers of Ireland Excellence in Local Government Awards. These Gatherings partnered with Failte Ireland, The Gathering Ireland and local communities, to drive overseas visitors to Kilkenny and created legacy events for future economic growth. Two other flagship events – KDW Celebrating 50 years and Castlecomer, Dig Deep, promoted Kilkenny's rich creative heritage and formative history.

The destination tourism initiative - 'Welcome Ambassadors' - graduates in the Parade Tower Kilkenny 2013

- The Tradfest Gathering, committee organizers and event partners hosted a high profile Civic Ambassadorial reception in the Parade Tower which was attended by civic leaders and ambassadors from Australia the Netherlands, Russia, Nigeria, Estonia and Romania. This engagement with business and political leaders is part of an ongoing relationship development. Consecutively, Kilkenny twinned with 'Kilkenny' in Minnesota which received international publicity. This festival was a huge success in promoting Kilkenny and Ireland, and it is anticipated has a substantial legacy as an annual event as well as promoting the city to a new audience.
- Kilkenny became the first place in Ireland to launch a "Visitor Welcome Ambassadors" training and development programme, aimed at giving tourists a warm welcome and a great experience when they visit the City and County. More than forty Welcome Ambassadors for Kilkenny have graduated and are now ready to help make the medieval city a haven for visitors after being presented with "Welcome Ambassador" pins and certificates by the British Ambassador to Ireland, Dominick Chilcot at a special ceremony at Kilkenny Castle. The Welcome Ambassadors programme is an initiative of Destination Kilkenny, supported by Kilkenny Tourism, Fáilte Ireland and Kilkenny Borough Council and a second graduation is planned for 2014.
- The Invest Kilkenny and Tourism Team engaged in a number of promotional events such as the Asia IEA Forum in the Parade Tower to market Kilkenny as a business location and raise Kilkenny's profile as a conference location, develop linkages with the existing business community and to market the city and county to new potential investors
- Kilkenny Tourism and Invest Kilkenny continued to use social media channels including Flickr, Youtube and specific web SEO campaigns to target increased domestic and international business with both websites undergoing significant software upgrading to improve the user experience
- 2013 saw increased PR activity through a number of print media and advertorial campaigns were run in national newspapers, magazines and regional publications as well as national radio broadcast, Trade show promotions targeted additional markets including over 50s, outdoor and activity seekers and heritage interests.
- The Council provided financial support to local tourist & business initiatives and festivals, including Castlecomer Demesne Tourist Centre, Kilkenny Christmas Festival and Kilkenny Savour Food Festival and St Patrick's Day Festival committee.
- Work continued to build and develop the Invest Kilkenny website, growing the social media audience and promoting locally based good news stories. The Invest Kilkenny social media network worked closely with the Kilkenny Tourism channels as well as engaging with IDA Ireland, Enterprise Ireland, KCEB and Positive Ireland networks,
- The Business Support Unit conducted a number of meetings with existing business, entrepreneurs and companies in terms of research linkages, financial supports, planning advice, overheads and making connections.

# Water Services and Environmental Services

### **Services provided by this Directorate include;**

- Provision and Maintenance of Water Infrastructure.
- Provision and Maintenance of Waste Water Infrastructure
- Water Conservation
- Rural Water Programme
- Water Charges Invoicing
- Water Quality Testing and Assurance
- Waste Management
- Litter Management
- Environment Awareness
- River Basin Management and Pollution Control
- Water Safety
- Burial Grounds
- Veterinary Services

### **General**

Kilkenny Water Services Authority is responsible for 23 public drinking water supplies and 35 public waste water treatment schemes.

The Authority acts as a Supervising authority for private water supplies that fall under the drinking water regulations.

The Council's Public Water Schemes achieved a 100% micro-biological compliance in 2012- a major achievement that was repeated in 2013.

The Water Charges Business Unit, set up mid 2010, having responsibility for invoicing and collection of water and waste water charges, achieved high collection levels of non-domestic water charges, 73% for 2013- one of the highest collection rates in the country. The percentage figure includes bills issued in January 2014 in respect of Q4 2013, thus including five quarters in the billing total.

Invoicing is generally on a quarterly basis but High Consumers are billed monthly, thus assisting the customer and Kilkenny County Council from a cash flow perspective.

Kilkenny County Council continues to promote a number of initiatives such as data loggers and METER.IE, a FREE solution rolled out in September 2010 to encourage monitoring of water usage.

During 2013, a leaflet offering a guide to 2013 water and waste water charging and outlining advice re water conservation was distributed to all customers.

During 2013, the Council advanced significantly the Water Services Capital Programme

### Capital Programme

- Works to outfall from Ballyhale and Paulstown Waste water treatment plants
- Upgrading of Ballyhale Waste Water Treatment Plant
- Upgrading of Glenmore Waste Water Treatment Plant.

Water conservation main rehabilitation works at John's Quay in December 2013

### Water Conservation

Water conservation is primarily concerned with reducing the levels of unaccounted for water (UFW) in water supply schemes. UFW includes water losses as a result of leakage from mains and fittings, unauthorised connections, excessive consumption, and un-metered non-domestic connections.

Kilkenny County Council, through its leak detection and repair programme has reduced the unaccounted for water from 56.7% in 2008 to 37.8% in 2013, and is now below the national average of 41%. This represents a reduction of approximately 6,500m<sup>3</sup> of water per day in the amount of treated water required for supply. Put into context, this represents 1.5 times the total amount of water required for Kilkenny's four scheduled towns of Castlecomer, Callan, Graiguenamanagh and Thomastown combined.

Since the commencement of Stage 2 works in 2009, approximately 3500 leaks have been detected and repaired.

### Operations and Maintenance Programme for Water and Waste Water

- Despite operating within an overall reduced budget in 2013, Water Services succeeded in maintaining and improving the levels of service provided. During the drought conditions experienced in the hot summer of 2013, no interruptions to the public water supply occurred.
- A 100% microbiological drinking water quality compliance rate was achieved during 2013.
- A dedicated resource was assigned to monitoring waste water treatment plants, thus detecting problems at an early stage and allowing for early solution.
- Further increase in schedule of planned maintenance for all water and waste water plants achieved.
- A programme to install alarms and SCADA systems at all water treatment plants is complete and the roll out to waste water plants in continuing.
- Kilkenny County Council is part of an SE Regional Committee, established to exchange ideas and to establish best practice for Water and Waste Water Operations and Maintenance.
- Drinking Water Incident Response Plan was finalised and equipment in the dedicated emergency depot was enhanced.
- Roll out of Health and Safety site specific statements were completed for all water and waste water treatment plants.

## Environment Section

The aims of the Environment Section are:

- To promote sustainable development
- To provide an efficient and environmentally sound waste management infrastructure and implement the Joint South East Waste Management Plan
- To maintain proper regulatory and monitoring systems for environmental protection and control of pollution

The Environment Section has responsibility for over 500 statutory functions, which are contained within over 100 pieces of legislation. The key areas dealt with include:

- Waste Management
  - Waste Management Planning
  - Dunmore Recycling & Waste Disposal Centre
  - Recycling
  - Enforcement
  - Litter Management
- Education and Awareness
- Water Quality & Pollution Control
  - Water Framework Directive
  - Pollution Control and Enforcement
  - Coastal Pollution Planning
- Water Safety
- Veterinary Services
- Burial Grounds

Three new regions for waste management planning purposes were designated in 2013, in accordance with government policy as outlined in "Putting People First".

## Waste Management Planning

Three new regions for waste management planning purposes were designated in 2013, in accordance with government policy as outlined in "Putting People First". Kilkenny is now part of the new Southern Region along with Counties Carlow, Clare, Cork, Limerick, Kerry, Tipperary, Waterford, Wexford and Cork City. Limerick and Tipperary were designated lead authorities by the Region for the purposes of developing its new Waste Management Plan. Until the new Plan is made, the current South East Waste Management Plan remains in force.

### Dunmore Recycling & Waste Disposal Centre

- Repak Recycling Centre of the year Finalist for the second year running. Nationally recognised as one of the top three Recycling facilities in the country.
- Clean EPA environmental audit, complete compliance with waste licence resulting in no complaints from the local community and no adverse effects on the surrounding environment.

Cathaoirleach Cllr. Pat Dunphy takes time out at the Green Oasis in Dunmore

- Total recycling quantities for 2013 show an increase of just over 8% on 2012 figures.
- Mixed municipal waste to landfill was down by almost 4% on 2012 figures.
- With the above increase in recycling and decrease in waste deposited at the site, it is clear that ongoing promotion both here on site and by the Environmental Awareness Officer has educated the public in how best to dispose of their household waste.
- Green Oasis was launched in September of 2013. An overgrown green area in the centre of the Recycling Centre was transformed into a manicured lawn to showcase restored garden furniture, bird feeders and furniture made from old pallets to promote up-cycling and reuse and sourced through the Task Training Centre in Kilkenny.
- The Dunmore Community Fund, provided from landfill gate fees, was fully drawn down by the Dunmore Community in 2013, to complete upgrading works on the Community Hall
- Kilkenny GAA progressed work on developing training pitches on Dunmore landfill buffer lands

43 Bring Bank facilities are provided throughout the City and County

### Recycling

- 43 Bring Bank facilities are provided throughout the City and County
- Just over 1,500t of glass and 100t of cans were collected from these sites in 2013
- The maintenance contract continues to improve the cleanliness of each of the bring centres
- The regional tender for servicing of the recycling facilities continued in 2013
- Environment Section continued to support the weekly recycling service in Newrath for the Ferrybank and surrounding areas

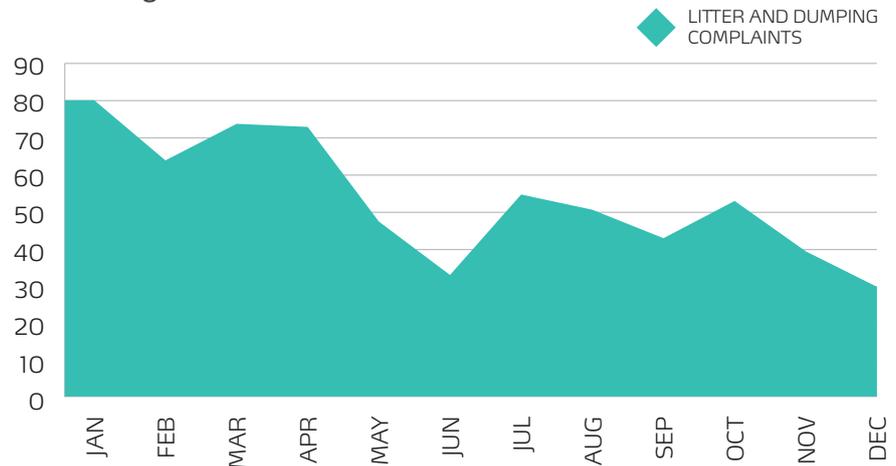

Official Opening of Dunmore Community Hall

### Waste Electrical & Electronic Equipment (WEEE) Recycling.

- In 2013, with support from Kilkenny Local Authorities, WEEE Ireland completed 15 mobile collections resulting in the collection of 87 tonnes of household electrical waste

### Litter Management

Litter and dumping complaints

### Enforcement

- 890 Environment Complaints were received, all were inspected and appropriate action was taken to resolve each issue
- 13 covert cameras were deployed in a variety of litter black spots including at a number of bring banks
- The Enforcement Officers issued some 200 fixed penalty notices for litter offences
- Payment of fixed Penalty Notices yielded €15,845 in 2013
- 6 cases were taken to court for infringements of the Litter Pollution Act 1997 and all were successful
- Over 1,000 inspections of a variety of facilities were completed under the RMCEI plan.
- 98 enforcement procedures were taken as a result

## Water Quality & Pollution Control

### Water Framework Directive & River Basin Management

- The Implementation Plan for County Kilkenny, which sets out the specific measures which must be undertaken in County Kilkenny to ensure compliance with the Water Framework Directive, formed the framework for inspection planning in 2013.
- 171 Farm Inspections were undertaken by Kilkenny County Council under the European Communities (Good Agricultural Practice for the protection of Waters) Regulations 2010. Approximately 27% were found to be non-compliant with the regulations.
- A further 60 Farm Inspections were undertaken by the Department of Agriculture, Food & the Marine on behalf of Kilkenny County Council in 2013. These inspections had a non-compliance rate of approximately 42%.
- All Section 4 Discharge Licences were inspected in 2013 (23 Inspections). Two new applications for a discharge to waters were received and approved subject to conditions.
- The EPA published the National Inspection Plan for the inspection of domestic wastewater treatment systems (DWWTS). In Kilkenny the inspections began in December with 8 inspections completed by the end of the year. 3 DWWTS failed the inspection and have had to implement minor remediation works.
- 26 Nutrient Management Plans were received, assessed and approved with conditions in relation to the use of sewage sludge in agriculture.
- The extensive Surface and Ground Water Monitoring Programme was continued.

### Trends in chemical quality in Kilkenny rivers 2006 – 2012

- The EPA, on behalf of Kilkenny County Council, published the annual Water Quality Report 2012 in July. The report shows improving water quality in the County.

### Coastal Pollution Planning

The Irish Coastguard, on behalf of the Minister for Transport, Tourism and Sport, approved the Oil/HNS Coastal Pollution Response Plan of the Suir Estuary Pollution Response Committee, which is chaired by Kilkenny County Council

Presentation of certificates to 28 new lifeguards and 10 revalidations took place in County Hall in May 2013

### Water Safety

- Presentation of certificates to 28 new lifeguards and 10 revalidations took place in County Hall in May 2013.
- Some of these lifeguards worked for Kilkenny County Council on rivers during the summer months. Swimming areas are The Meadows, The Weir, Graiguenamanagh and Inistioge.
- Improvement works were completed at The Weir, Bleach Road and the up-graded swimming area was officially opened by An Cathaoirleach Cllr. Marie Fitzpatrick on 27<sup>th</sup> June, 2013.

## Veterinary Services

The Veterinary Service fulfils the food safety service contract between the FSAI and Kilkenny County Council. In 2013 as part of the latter the Veterinary Service had responsibility for the Food Safety Section of the Veterinary Service in the Carlow area. The Veterinary Public Health and animal welfare functions include providing official controls/ regulation of slaughterhouses and small meat processing plants, and small poultry slaughtering plants (includes on farm slaughter of poultry i.e. seasonal slaughter).

- The Service supervised the slaughter of 5,021 cattle, 20,562 sheep, 58 pigs, 5 goats and 132,227 poultry at approved slaughterhouses in 2013
- 29 Residue Samples were taken as part of the National Residue Control Plan
- 48 Meat and Water Samples were taken as Official Controls
- The control of horses enforcement team impounded 99 horses and licensed 3 horses in 2013
- 6,138 individual dogs were licensed, 11 general dog licences issued and 9 lifetime dog licences issued in Kilkenny
- 6 premises were registered under the Dog Breeding Establishments Act 2010

## Burial Grounds

Kilkenny County Council has 14 open and active burial grounds across the County with each having a caretaker in place to manage the record keeping.

Updated burial ground maps continue to be developed and are distributed to the caretakers on completion.

Kilkenny Local Authorities completed the signing of the SEAI Partnership with The Sustainable Energy Authority of Ireland (SEAI) in February 2013.

## Energy Office

Kilkenny Local Authorities completed the signing of the SEAI Partnership with The Sustainable Energy Authority of Ireland (SEAI) in February 2013. The public sector has been challenged to reach verifiable energy-efficiency savings of 33% by 2020. This target requires management commitment at the highest level and the involvement of all employees.

The public sector target is challenging, but reaching it is essential for our economy, our environment and the country. Every year Ireland spends almost €6 billion on imported energy, with the public sector accounting for more than €500 million per annum.

In signing this agreement Kilkenny Local Authorities are committed to reducing their energy consumption by delivering low energy public services to the people of the county. This will not only reduce the bottom line cost of delivered services but also make those services more sustainable into the future by insulating the local authority from the rising cost of energy.

### Carlow Kilkenny Energy Agency

Aiming to reduce energy consumption through energy efficiency is at the core of the Carlow Kilkenny Energy Agency's mission since its inception in 2002. The CKEA will support Kilkenny Local Authorities in achieving the 33% target in partnership with SEAI by mentoring best practice in the field of energy demand reduction.

In May 2013, Kilkenny Local Authority in conjunction with CKEA set up an Energy Office in County Hall. The Energy Office is part of the Kilkenny Local Authority Energy Team that meet on a regular basis to discuss items in relation to Energy Map and Energy Efficiency Projects.

### SEAI Partnership Programme & Energy Map

Kilkenny County Council has signed up to the SEAI Partnership Programme, a support package available from SEAI for large organisations, which is offered in return for commitment to energy management. The Partnership offers a clear roadmap and defined support actions to help achieve targeted energy savings. Kilkenny also signed up to the Energy Map Programme. The Energy Map is made up of five pillars and twenty steps that Kilkenny Local Authorities are following in order to improve their energy management.

### Better Energy Communities – €2.43 million invested in energy efficiency measures in Kilkenny

Carlow Kilkenny Energy Agency submitted a joint application to SEAI for funding relating to energy efficiency in Kilkenny. 80% grant funding was received for the project.

The beneficiaries of the Kilkenny area community project were:

- City Hall, High St, Kilkenny
- St. Canice's Parochial Hall, Butts Green
- Fr. McGrath Centre, St. Joseph's Road
- O'Loughlin Gaels GAA, Hebron Road

- Pembroke Hotel, Patrick St.
- Newpark Hotel, Castlecomer Rd.
- Hibernian Hotel, 1 Ormonde St.
- 225 Homes in O'Loughlin Court, Butts area, Hebron Park and Newpark Close

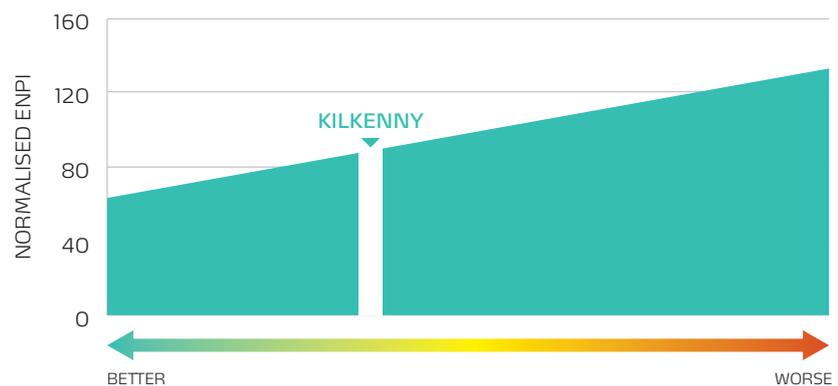

Among the upgrade works completed were attic insulation, wall insulation, replacement windows and lighting and heating system upgrades.

### Monitoring & Reporting

All public bodies are obliged to report their energy usage.

This process gives a good indication of how the local authority is performing in terms of energy use compared to other local authorities and also in terms of the larger public sector.

### Kilkenny Local Authority Monitoring & Reporting Performance 2009 - 2011

Minister Hogan marking the completion of community energy upgrades in Kilkenny

### **Energy Awareness**

In conjunction with the Environment Section a first edition of the “Energy Times” was circulated issued to staff. A good response and feedback was gained from this.

A library staff survey was circulated to one member of staff in each branch of the library service. The response from this was good and gives a better understanding of the energy demand at each branch.

### **Utility Bill Analysis**

The management of utility invoices is an ongoing process for the Energy Office.

### **Energy Audits**

Energy audits were carried out at Clonassy Water Treatment Plant, Kilkenny Fire Station, Freshford Fire Station, Johnstown Area Yard, Castlecomer Area Office, Council Machinery Yard, City Library, Castlecomer Library, Ferrybank Library and Graigenamanagh Library.

### **Public Lighting**

Public Lighting is one of the largest energy users in Kilkenny Local Authorities. The energy consumption of all the public lighting stock in Kilkenny was compiled and the top 10 users were identified.

### **Staff Training**

Energy Management and Awareness training was rolled out to Water Services caretakers.

Agresso training for staff took place in August 2013 to facilitate accurate recording of energy usage data. A guidance document was produced specific to Kilkenny Local Authorities’ finance codes. The increased accuracy of the quantification of energy products through the Agresso System allows for greater accuracy when reporting on energy consumption through the monitoring and reporting process each year.

# 3 Kilkenny Borough Council

## Kilkenny Borough Council

It is the role of Kilkenny Borough Council to administer local authority services within the Borough of Kilkenny.

Such duties include infrastructure, community and civic services and the Borough Council plays a major role in the preservation of Kilkenny's medieval heritage and in the development of Kilkenny as a major tourist centre.

## Profile of the City

Kilkenny City is a place of urban settlement which has endured through the centuries by adapting to the needs of its inhabitants, whilst retaining its unique appeal to visitors.

Kilkenny City is a place of urban settlement which has endured through the centuries by adapting to the needs of its inhabitants, whilst retaining its unique appeal to visitors. The unique built heritage and winding streetscapes provides a link to ancient times whilst continuing to be a vibrant place to live and work. Kilkenny retains its charm by allowing modern uses in old buildings so that they don't become museum pieces, but rather provide the means to enjoy old buildings in modern settings. Kilkenny celebrated 800 years of town government in 2007 and 400 years of City government in 2009. Kilkenny City's 1609 Charter of James 1<sup>st</sup> conferred Kilkenny with City Status.

### A Compact City

One of Kilkenny's strengths is its compact nature, both in physical size and in scale. The pattern of narrowed streets with ancient slip ways provides an ambience which pedestrians can enjoy and facilitate easy access and movement around the city. The street network has remained largely undisturbed over the centuries. The High Street is a vibrant area, with a mix of uses to attract shoppers and workers. The historic core – the spine from Kilkenny Castle through High Street, Parliament Street, Irishtown, to St. Canice's Cathedral, links these various themes of civic authority and worship. The Tholsel, was the seat of urban local government with its arcaded front and distinctive bell tower has acted as a focal point for local governance for centuries.

A long tradition of local politics is maintained to the present day, whilst the civic archive is preserved there as a reminder of the urban history of Kilkenny.

## Provision of Services

Many of the functions of Kilkenny Borough Council are being provided jointly under a shared services model of delivery with Kilkenny County Council and are reported under the relevant Directorates reports. Kilkenny Borough Council continues to provide services directly in the following areas: Roads, Transportation, Planning, Development, Urban Renewal & Enhancement, Burial Ground, Streetscape Improvements, Parks & Recreation, Refuse Collection & Street Cleaning, Car Parks & on street parking, Civic Receptions & Occasions.

Amongst the achievement in 2013 were:

### **Roads and Transportation**

- New Bus Stops with proprietary Kerbs completed
- Work commenced on the provision of the Pedestrian Bridge (John's Quay to Bateman Quay) ( completion early 2014)
- Mobility Management works commenced on the laneway leading from Fr Murphy Square to Robertshill.
- Phase's 1 and 2 of the re-presentation of High St (Medieval Mile) commenced in March. Works included the provision of new street furniture and resurfacing of the carriageway.
- Road Realignment and resurfacing works were completed at Newpark Drive .
- Courtesy pedestrian crossings provided at Bateman Quay.
- A signalised pedestrian crossing was provided on the Carlow Road.
- New/Improved Footpaths provided at Bateman Quay, Lacken Drive, Dean Cavanagh Place, Walkin Street, Glendine Heights and Ormonde Road.
- Surface Restoration works were carried out at High St, Rose Inn Street, Parade Junction, Castlecomer Road, O'Loughlin Road, Kennyswell Road and the cul-de-sac leading from the Kennyswell Road.
- Capacity Improvements were completed on Kilkenny Ring Road
- Kells Road Improvement was completed from Kilkenny Ring Road to Corcoran's Terrace.
- Ring Road cycleway completed.
- Road improvements (including the provision of new cycleway, footpaths, improved lighting, bus stops, reconfigured parking areas and full surface restoration) were carried out on the Carlow Road.

All works within the Borough are funded predominantly by the revenue accruing from car parking charges.

## Planning and Development

- The Council received 55 Planning Applications in 2013, 45 were valid applications and 10 were invalid.
- A total of 54 decisions were made. Planning permission was granted in 47 cases and 7 applications were refused.
- 142 Pre-Planning Meetings were held in 2013.
- The decreased level of activity in the planning area due to the economic downturn is reflected in the decrease in planning fees over the last couple of years as follows:
  - 2011 - €14,658
  - 2012 - €29,129
  - 2013 - €16,162

## Strategic Forward Planning

The review of the Kilkenny City & Environs Development Plan commenced formally in June 2012 as did the Kilkenny County Development Plan. An extension consultation exercise was undertaken which involved:

- Newspaper Articles
- Awareness raising meetings
- Website development
- A primary schools project
- A secondary schools project.

In order to raise awareness and outline the issues involved for interested people, groups and organisations, a document entitled "Our Plan – A Guide to Having Your Say" was published.

The County Manager's Report on the public consultation and the issues raised has been prepared and has been considered by the Elected Members of the Borough Council. The next step in the review process is the preparation of the draft Kilkenny City & Environs Development Plan by March 2013.

## Compliance and Enforcement

The Planning Department of Kilkenny Borough continue to place far greater emphasis on compliance with existing planning conditions, and follow up enforcement where appropriate.

Legal proceedings have been initiated in certain cases, and it is intended to continue to devote resources to the compliance/enforcement area to ensure orderly development consistent with planning conditions.

- Complaints for Non-Compliance – 26
- Warning Letters & Enforcement Notices – 34

Many more complaints are resolved through negotiation and without the need to resort to legal action.

## Streetscape Paint Scheme

The Borough Council announced a 'Streetscape Paint Scheme' for the first time in 2010.

The scheme was continued into 2011 and 2012 and was expanded to include hand painted signage.

A fund of €10,000 was allocated to assist with the cost of painting the front façade of buildings within the administrative area of Kilkenny Borough Council. The Scheme offers a grant of up to €500 maximum or 50% of the cost of the work to each successful applicant. There was a considerable uptake on the scheme, details of which as follows;

- Number of Applications: 19
- Number of Approved Applicants: 17
- Number who availed of the Scheme: 12

## Section 254 Licences

Applications for licences under Section 254 of the Planning and Development Act 2000 have proven to be increasingly popular in Kilkenny City. This licence authorises a business owner to provide tables and chairs outside their premises. Income in relation to these licences over the past three years is as follows:

2011	2012	2013
€6,625	€8,375	€7,340

Winner of Gold Medal Award in the Failte Ireland Tidy Towns competition

## Parks and Open Spaces

The presentation of open spaces throughout the city is deemed to be of a high standard and Kilkenny achieved a significant results in 2013

- Winner of Gold Medal Award in the Failte Ireland Tidy Towns competition
- 7<sup>th</sup>. Place overall ( 4 marks behind winner)
- Winner South East Regional Award
- Joint 2<sup>nd</sup> Ireland's Tidiest Large Urban Centre
- Overall Winner National IBAL Anti-Litter League ( repeat of 2012)
- Overall Winner of Failte Ireland Irish Tourist Town Award

Works continued on the provision of amenity improvements on the approaches to the City and at the roundabouts on Kilkenny Ring Road. These are

- Re-Planting of the roundabout as one approaches the City from the M9 motorway. A sustainable planting scheme rich in bio-diversity was implemented. This will result in a colourful floral display and will require a reduced level of maintenance in the medium-term.
- Mass bulb planting on the Dublin Road in conjunction with the recently completed road improvements. Such planting will bloom twice annually and will present an attractive approach to the City from the east.
- Mass tree planting was undertaken on the Kells Road following completion of the road improvements in the Area.
- Works were completed in re-locating the Council's nursery from Evan's Home to a new location in the Hebron Industrial Estate. This allows the Council's Planting Programme to be nurtured locally in a sustainable manner using rainwater harvesting from the newly completed structures on site.
- Works were undertaken at St. Canice's Steps to stabilise the arch and steps, provide a handrail and lighting and reconfiguration of the paved area at the top of the steps. These works were supervised by an in- house Conservation team with independent archaeological monitoring.
- The allotment site at Shandon Park has proved to be very popular and is fully subscribed.
- Works continued in the restoration and re-presentation of St Mary's Church and Graveyard. A number of funerary monuments were restored using conservation techniques under specialist supervision. These works will continue in 2014.

Twinning Agreement

## Civic Receptions and Occasions

On 16<sup>th</sup> March, 2013, a Twinning Agreement was signed between Kilkenny, Minnesota, U.S.A. and Kilkenny County, Ireland, to further their relationship and mutually accomplish goals set forth in the future.

On Wednesday, 29<sup>th</sup> May, 2013, a Civic Reception was held by the Mayor and Elected Members of Kilkenny Borough Council in honour of President Michael D. Higgins in the Long Gallery, Kilkenny Castle. President Higgins signed the Visitor's Book and spoke to a gathering of local dignitaries and business people in the Long Gallery.

He was greeted with a superb rendition of 'Mo Ghile Mear', sung by the children of the Gaelscoil Osrai, assisted by Steve Cooney and Iarla Ó Lionáird.

Presidential Visit

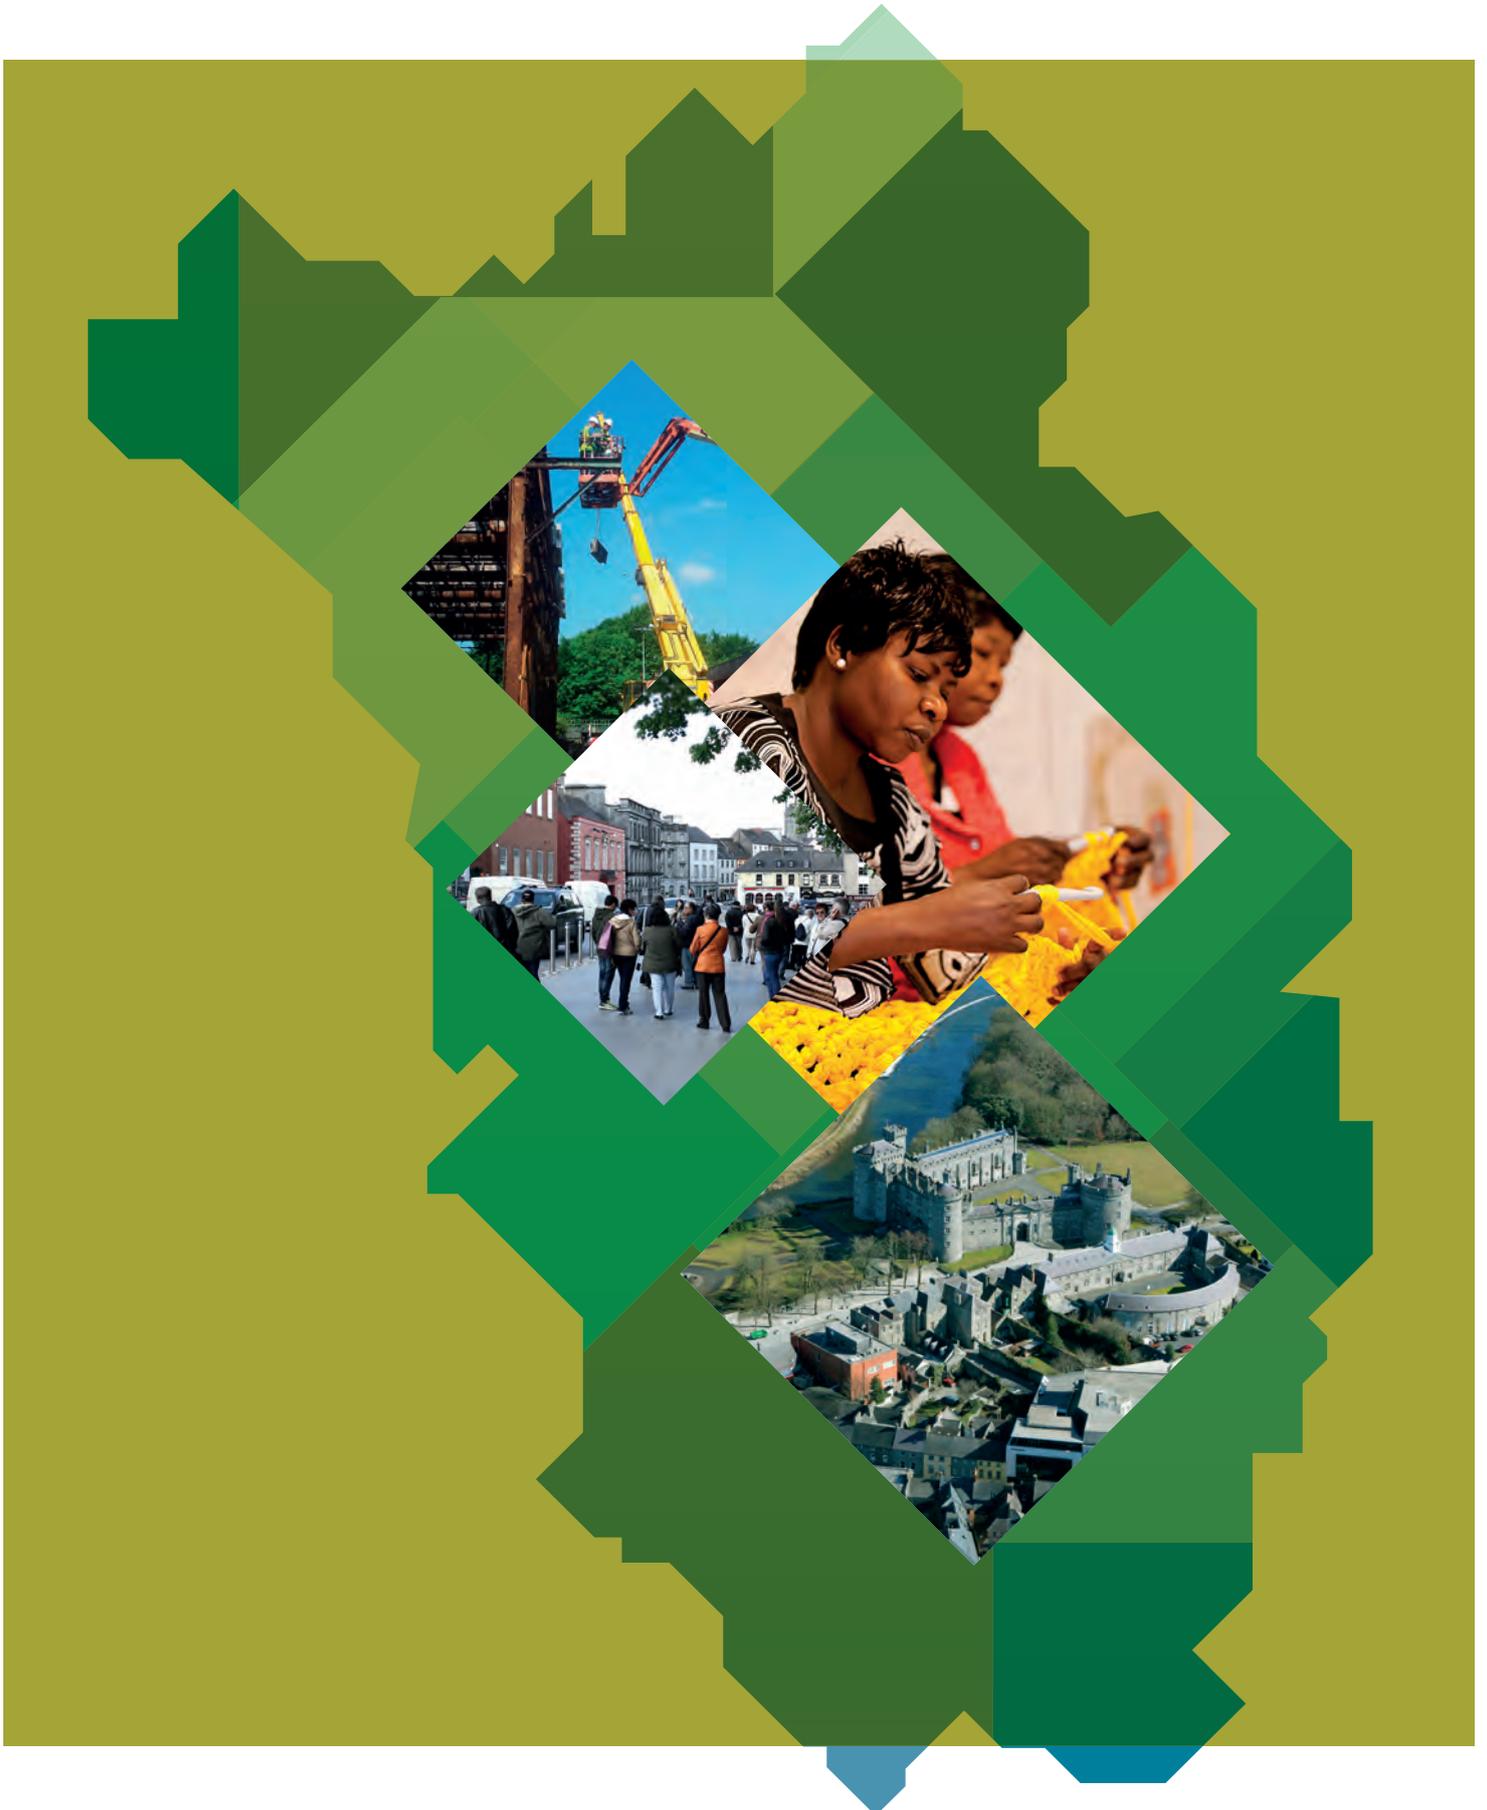

On 21<sup>st</sup> June, 2013, the Freedom of Kilkenny City was conferred on Mr. Pat Shortis at a ceremony held in the Long Gallery, Kilkenny Castle. Mr. Shortis joins a special list of Freeman and Women of Kilkenny and richly deserves the honour bestowed on him as he has done so much to brighten up the lives of so many of his neighbours and fellow Kilkenny people.

On 14<sup>th</sup> July, 2013, the Regional National Day of Commemoration Ceremony took place in the grounds of Kilkenny Castle. This has become an annual event since 2011 and Kilkenny is the regional venue for Kilkenny, Carlow, Wexford, Laois and Offaly. The Ceremony is held to honour all those Irishmen and Irishwomen who died in past wars or on service with the United Nations and mirrors the National Day of Commemoration Ceremony held in Dublin.

The Mayor and Members of Kilkenny Borough Council also conferred civic recognition on the following in 2013:

- Mr. Fonsie Mealy – in recognition of his appointment as President of the Royal Dublin Society and his contribution to the civic, economic and cultural fabric of Kilkenny.
- Mr. Richie Moloney – in recognition of his outstanding achievement as part of Ireland's Aga Khan Cup Winning Team 2012.
