

COMHAIRLE CHONTAE CHILL CHAINNIGH

Kilkenny County Council

PLANNING DEPARTMENT

The Planning Department wishes to advise members of the public who intend to apply for Planning Permission, and their agents, that access to E Plan and I Plan will be severely restricted during the last week of May, 2014. During this period data on the planning files for Kilkenny Borough Council will be merged with the County Council planning systems resulting in the systems being unavailable for normal use.

It is advisable that planning applications are not lodged in the Planning Department during the last week of May i.e. 26/5/2014 to 3/6/2014 as the applications cannot be validated during the transfer of data into one IT system.

The Planning Department apologises for the reduced planning service during this time. Our customer service desk in County Hall, John Street, Kilkenny will provide a limited planning service.

For further information contact the Planning Section at (056) 7794010
