| 14/482 | Glanbia Ingredients Ireland ltd | P | 23/10/2014 | for development. The development will consist of amendments to two previous permissions received on the lands (Kilkenny County Council Reg. 12/324; ABP Reference PL10.241077 (the 'Parent Permission') as amended by KCC Reg. Ref. 14/19 (the First Amendment Permission). The development will consist of the following amendments: reduction in the height of the milk testing building from two storeys to single storey (resulting in a reduction in floor area from 210 sq m permitted to 109 sq m proposed), with associated internal alterations, and its relocation further north from its permitted location; omission of a staircore (467 sq m) and its replacement with a single storey gowning room (77.5 sq m) on the west elevation of the dryer/production building; relocation of the diesel storage/refilling area from its current location to south of the truck parking area to the east of the site adjacent the development's entrance; relocation of one of the two permitted weighbridges to the diesel storage tank/refilling area; provision of a new galvanized external stair from the evaporator roof to the dryer/production building roof; maintenance and utilisation on a permanent basis of a permitted temporary soil storage area (created through the clearing of the lands during the construction phase) located to the west of the site to facilitate an increase in ground levels, and the provision of an associated interception drainage channel located at | | | | |
