16/700	Roadstone Ltd	P	21/10/2016	for the development which will consist of continuation of quarrying activities within the red line application area of 62.04 ha to include the extension of the existing excavation by an additional 2 x 15m high benches from the current floor level of ca.-15m AOD to -45 m AOD within the permitted extraction footprint area of 27.06ha. The proposed development will involve the continuation of stripping of overburden and its storage for use in site restoration; the extraction of rock by means of blasting, the crushing of blasted rock on the quarry floor, and subsequent processing of crushed rock in the existing aggregate plant to produce a range of aggregates. The proposed development will also include the continuation of use of the existing wheel-wash and associated hardstanding area, bunded fuel tank and associated refueling area. An Environmental Impact Statement (EIS) and Natura Impact Statement (NIS) have been prepared and will be submitted to the Planning Authority with this Planning Application. Aglish North Granny Kilmacow Co. Kilkenny	Y
