BUTTS AREA REGENERATION

Introducing The Butts Town Team

The Butts Town Team was established this summer and we are meeting regularly at 19 Pearse St.

The aim of the Team is to come together as a community and help to make The Butts a better place to live. Plans are being developed for The Butts and the Town Team are working hard to be part of this planning process. If the community comes together and agrees on issues we can then bring these ideas to those developing the plans.

The Team is covering 9 sub groups. Housing, Sport, Youth, Age Friendly, Community Events, Heritage, Traffic/Road Safety, Education and Tidy Estate/Bio Diversity.

If anyone in the estate has any suggestions to help with developing these plans or would like to join the sub groups above please leave your name and contact number with Marie in 19 Pearse St and someone will call you back.

Regards, The Butts Town Team
