BUTTS AREA REGENERATION**HAPPY NEW YEAR TO ALL!**

The Age Friendly sub-group held a Christmas party on December 14th in the Fr McGrath Centre.

A big thank you to all who organised the event. It was a lovely afternoon starting with a Mass by Fr Jim Murphy and a great spread after with lots of festive treats.

The event was thoroughly enjoyed by all!

A visit by VHA Consultants to the Butts was organised between the **7th of January and 9th of January**. The consultants are developing plans based on the feedback received at the consultation event and on the feedback forms. The next community consultation event will be held in mid-February. More details to follow!

Household Surveys

Global Home Warranties are continuing to carry out surveys of the structural house conditions in the Butts area. Thank you to all those who have facilitated the surveyors to date. The reports will give greater details of issues arising in houses in the area. This will form part of the future planning process for the Butts Area Regeneration Project.
