BUTTS AREA REGENERATION

BUTTS STREETS PROJECT FUNDING- SOME COMPONENTS OF THE €9M FUNDING PROPOSAL

- **Improved Pedestrian Facilities, improved footpaths**
- **Traffic calming measures**
- **Undergrounding of services (where feasible)**
- **Upgraded parking facilities**
- **Increased planting and greenery**

This potential work was illustrated below in one of the storyboards at the public consultation events

COMMUNITY NOTICE

We have received the following information from Harry and Luke, third year students at South East Technological University (SETU), Carlow who are currently working on a short radio feature for CRKC Radio, focusing on the Butts of Kilkenny and the upcoming regeneration of the area. As part of the project, they would love to hear from the people who live in the community. hear your thoughts on the proposed regeneration, and learn what the area and the community means to you

📅 Date: Tuesday, 17th November 📍
Location: St Canice's Neighbourhood Hall, Butts Green R95 VK7X.
1pm - 2pm

For anyone who would be willing to take part in a quick, informal interview, they will be holding interviews at St Canice's Neighbourhood Hall between 1pm and 2pm on the 17th of November.

If you would be interested in speaking to the students, or would like to find out more, please drop Harry an email at (C00263583@setu.ie)

Thank you very much!
