The rain eased off. The sun came out. Children ran in races, played various sports, and received medals galore.

The fun factor was incredible as The Butts area gathered as part of the community fun day.

It was all part of The Butts area regeneration programme.

A great day was had by all at the Water Barracks for the Community Fun Day on September 12th.

Lots of fun, games, prizes face-painting and refreshments! Thank you to all who helped out on the day and who made it a highly memorable occasion! Thanks too to the Medieval Marathon organisers for their support.
