23 (19) Cllrs. Malcolm Noonan, Tomás Breathnach & Denis Hynes

"Acknowledging the findings of successive reports from the Inter-Governmental Panel on Climate Change (IPCC) and the World Wildlife Fund 2018 Living Planet Report (LPR) that Kilkenny County Council declare a climate and biodiversity emergency for County Kilkenny.

In adopting this motion, we agree to work to develop a collaborative and inclusive Community Climate and Biodiversity Action Plan for County Kilkenny, recognising that this is a challenge that affects us all and requires all of us to act. We note the huge support among and mobilisation of young people calling for decisive action and recognise the role of the arts and culture in inspiring change.

Kilkenny County Council will monitor and report on all actions periodically through the Environment and Climate Action Strategic Policy Committee, other relevant and related committees and through plenary of Council and in partnership with the European Union".

12. **Notices of Motion from other local authorities seeking support of Kilkenny County Council - Fógraí i dtaobh Rúin ó Údaráis Áitiúla eile ag lorg tacaíochta ó Chomhairle Chontae Chill Chainnigh:**

14 (19) Leitrim County Council

"That Leitrim County Council to write to the Minister for Health Simon Harris TD and the Minister for Agriculture Michael Creed to call for a ban on the use of Glyphosate [Roundup] as a desiccant on our nations crops.

Roundup is a weed killer and was never intended to be used as a desiccant on oats, wheat, barley or any other crop prior to harvest, this practice has gone on for over 40 years. Scientific evidence has linked Glyphosate to various types of cancers and traces of Glyphosate are being found in bread and cereals and in drinking water."
