Re: Draft City & County Development 2021 - 2027

Date: 15th December 2020

Dear Councillor,

I attach herewith the following draft documents for your consideration:

- Kilkenny Draft City & County Development Plan 2021 - Volume 1
- Kilkenny Draft City & County Development Plan 2021 - Volume 2

A number of workshops were held for the Elected Members in connection with the consideration of the Draft City and County Development Plan, Strategic Environmental Assessment, Natura Impact Statement etc. Having regard to the Members input into the Draft Plan, it is now recommended that the draft plan proceeds to statutory consultation.

Therefore, approval is now sought from the Elected Members to commence public display of the Draft City & County Development 2021 - 2027, associated environmental reports and appendices from the 22nd December 2020 to the 12th March 2021 both days inclusive.
