

20th May, 2022

Dear Councillor,

I enclose details of the applications evaluated and recommended for funding under the 2022 Amenity Grant Scheme.

Budget - The 2022 budget approved for Amenity Grants is €140,000.

Promotion - The Amenity Grant Scheme was advertised in the Kilkenny People on the 26th of January, 2022 and on the Council's website. An application form was also posted out to each of the previous year's applicants. The closing date for applications was the 25th March, 2022.

Applications:

- A total of 172 applications have been received;
- 1 application was ineligible as it did not meet with the objectives of the Amenity Grant Scheme;
- 1 application was transferred to the Council's Estate Management Grant Scheme;
- A total of 170 applications are therefore being recommended for approval as per the attached schedule.

Evaluation Committee - the applications were evaluated by the following:

- Claire Goodwin
- Lisa Bourke
- Cora Nolan

An evaluation of the applications was undertaken with reference to a range of evaluation criteria and category classifications (i.e. 15 categories A - O based on size of town or village, number of houses in the estate, etc). There was a slight increase in the award under the categories due to the slightly lower number of applications this year as compared to 2021 (181). The elected members agreed in 2021 to include insurance costs as an eligible expenditure item under the Amenity Grant Scheme; several applicants have included this cost in their applications.

I recommend the allocations as outlined on the attached schedule in the total amount of €139,465. The small balance remaining will cover the cost of advertising the Scheme.

Mise, le meas,

Sean McKeown,
Director of Services,
Planning, Economic & Environmental Services.

Amenity Grant Allocations 2022			
Group Name	Description of Project	Grant Award Recommended 2022	Category
