27 (23) Mayo County Council

"I respectfully seek the support of my colleagues and Management of Mayo County council to petition the Minister for the Housing, Local Government and Heritage to double the maximum grants for the Croí Cónaithe Scheme from €30,000 for a vacant property and €50,000 recent unprecedented increases in the price of construction materials and the fact that these increases have not yet stabilised. In addition, I respectfully ask for your support to petition the Minister to expand the Croí Cónaithe Scheme to owners who wish to renovate vacant or vacant homes confirmed derelict, subject to conditions that the property is subsequently used for long term occupancy either through a sale or through a long-term lease. Furthermore, that those approved under the existing scheme be included when the changes have been implemented, if they have not yet drawn down their funding."

28 (23) Clare County Council

"That Clare County Council supports the recent Macra na Feirme campaign, entitled "The Rural Revival, Steps for our Future". This campaign was a march that departed Athy, Co. Kildare at 7pm on Tuesday, 25th April marching through the night, physically carrying their message, before arriving at Government Buildings circa 1pm on Wednesday, 27th April. The message is simple, Macra Na Feirme members want to be able to remain at home, working and living in their own communities and the key components of their message are as follows:

- Accessing affordable housing and cumbersome housing planning guidelines.
- Disjointed and scarce healthcare services for rural communities.
- The Government's definition of a family farm as 'average' and typical'.
- No recognition or engagement by Government on a farming succession scheme.
- Lack of planning for the future of our rural communities informed by rural people.
- Imposition of quotas on young farmers availing of grant aid support.
- Lack of public transport for rural Ireland.
- Proposals to rewet large areas of rural Ireland.

I am also requesting that this Notice of Motion be circulated to all other Local Authorities."

29 (23) Wicklow County Council

“That Wicklow County Council write to Minister McConalogue requesting him to contact all Dáil party leaders and MEPs to remind them of their own declarations on the Climate and Biodiversity Emergency and their commitment to youth and community groups, made in 2019, and more recently to the 2 Citizens Assemblies (*adult & youth*), regarding the restoration of nature as a matter of urgency, and that consultation takes place with farmers, foresters, community groups and other stakeholders to discuss any issues relevant to them. Furthermore, that Wicklow County Council writes to all party leaders urging them to work together with their MEPS to pass a strong EU Nature Restoration Law without delay. If passed, we request that Wicklow County Council forwards this motion to all City & County Councils without delay.”

30 (23) Wexford County Council

“Wexford County council ceases using the term “Halting Sites” in the County and begins renaming with a name more appropriate to the area. The naming should happen following a public consultation process and engagement with the local community.”

31 (23) South Dublin County Council

“South Dublin County Council formally backs the call for a Fossil Fuel Non-Proliferation Treaty and urges the Irish Government to support the initiative for a Fossil Fuel Non-Proliferation Treaty. If passed, a letter should be sent to all local Councils and the Minister for the Environment.
