Re: Naming of Infrastructure
Date: 12th March, 2024

Dear All,

The Naming of Infrastructure Committee was established in 2016 to research and appropriately name new infrastructure in the County and City. The committee is made up of 5 Elected Members and a Chair was selected for the term of the Council. The Members are Cllr. John Coonan (Chair), Cllr. Pat Fitzpatrick, Cllr. Andrew McGuinness, Cllr. Michael Doyle and Cllr. Pat Dunphy.

The Committee is assisted by Corporate Services and a sub-committee consisting of the Heritage Officer, Conservation Officer, Architect, Arts Officer with the support of the Library Local Studies. The sub-committee carry out ground research in relation to the area in order to support appropriate names for the infrastructure.

There are presently five separate pieces of infrastructure to be named in Kilkenny City and Castlecomer as highlighted on the attached map.

The attached report by the sub-committee details the historic context of the names in the area and is the final recommendation agreed by the Naming of Infrastructure Committee. The names are as follows:

No. on Map	Infrastructure Location	Name recommended by the Civic Memorials Sub-Committee
1	Castlecomer Pedestrian Bridge	Miners Bridge
2	Cootes Land Bridge	Rosehill Bridge
3	Skate Park	Abbey Skate Park
4	Outdoor Square in Market Yard	Dame Alice Yard
5	Nore River Facilities	Kilkenny - River Nore River Facilities

In line with the recommendations of the Committee, approval of the Members is requested for the names as detailed in the table above.

Yours Sincerely,

Tim Butler
Director of Services
