Reception of a deputation from Bennettsbridge Tidy Towns Committee was proposed by Cllr Doran, seconded by Cllr Lyons and agreed.

The following procedure was further agreed for future requests from deputations: Following receipt of a deputation request in accordance with procedures set out in Standing Orders, the request will be brought before the next Municipal District meeting for consideration.

Cllr O'Neill welcomed the deputation of Michele Culliton, Marie Nolan, Margaret Nolan and Patricia Dwan who gave an overview of the history and membership of the group, and the work carried out by them.

They outlined difficulties encountered due to a lack of available TÚS Community Employment (CE) Scheme workers who previously carried out manual work for the group.

They requested the allocation of a Council operative or contractor to carry out regular maintenance such as street sweeping and small works in Bennettsbridge, as well as suggesting a number of projects to enhance road safety.

Members thanked the deputation and acknowledged the work carried out by them.

The hope was expressed that a future revised CE Scheme would have less restrictive criteria for eligibility.

She said that road sweeping is carried out in the scheduled towns and clarified that there is currently no capacity to increase the number of general operatives in the GSS areas.
