That Kilkenny City Municipal District would provide appropriate infrastructure for walkers and cyclists linking the Linear Park with the Canal Square and Canal Walk. With the Abbey Quarter under construction consideration should be given to making greater use of the river bank along Bateman Quay and John's Quay. I would furthermore suggest that a boardwalk be provided along the river on the John's Quay side to provide segregated pedestrian access from John's Bridge to the footpath at the Lady Desart Bridge. This boardwalk could also

serve as a much-needed outdoor seating area, ideally situated as it is, in the shadow of Kilkenny Castle.

**4. Fógra Foriarratais in ainm an Comh. Eugene McGuinness data 25th November 2020
Notice of Motion in the name of Cllr Eugene McGuinness received 25th November 2020**

That Kilkenny City Municipal District would consider redesigning the junction on the Hebron Road at Kieran's Cemetery/ Hebron Park to alleviate serious traffic congestion and address the serious safety issues for traffic exiting from O'Loughlin Gaels GAA Club, Hebron Park and an ever-expanding Hebron Industrial Estate. The proposed building of a Hotel at this junction and continuing development along the Hebron road will further exacerbate an already serious traffic situation. Allowances will have to be made in any such redesign for the free flow of articulated trucks, which use this industrial estate on a daily basis.
