“Littering is a blight on our cities, towns and countryside. Despite the Council’s best efforts in educating against litter and working with communities we need to

strengthen our enforcement. I am requesting Kilkenny City Municipal District considers the appointment of litter or community wardens to combat indiscriminate littering in the City and Environs”.

(8) 22 Cllr. Eugene McGuinness

“To ask Kilkenny County Council to remove the wall at Assumption Place/O’loughlin Road railway bridge which causes a visual obstruction as you enter the bridge from the Dublin/Carlow road direction. This bridge/junction has become even more dangerous since our new bus system was introduced”.

(9) 22 Cllr. David Fitzgerald

“That Kilkenny MDC introduce a permit to allow commercial rate payers who use their private cars for collections and deliveries to and from their commercial premises uses the loading bays within the City centre by displaying a valid loading bay permit to be issued by Kilkenny County Council”.

(10) 22 Cllr. Eugene McGuinness

“To ask Kilkenny County Council to contact the relevant authority and ask them to consider lowering the height of the stone boundary wall on St. Johns Graveyard (Dublin/Carlow road side) by one meter to open up the view of this ancient and historic cemetery and to put in place an all year round cleaning/maintenance programme to ensure the proper and respectful upkeep of such an important part of Kilkenny’s history”.
