- Bóithre - Roads Monthly Update.***
- Fógraí Rúin - Notices of Motion.***

**12(24): Proposed by Cllr. Andrew McGuinness**

“That this Council investigate the possibility of implementing the following for the John Street area:

- Upgrade the footpaths:  
In keeping with the Service Plan for 2024, John Street footpaths require improvements to encourage and facilitate Active Travel.
- Create a looped tourist trail to incorporate John Street:

This trail will be designed to bring visitors to the John Street area and complement the Medieval Mile. The trail can be included on all digital and printed assets created by the Council and all tourism and retail bodies, encouraging footfall to the John Street area. The trail could be a self-guided interactive tourist attraction with QR codes on the historical buildings along the route.

**3.** Signage for the car parks at County Hall and Wolfe Tone Street, both at the entrance points to the city and throughout the city:

This will ensure that visitors to Kilkenny can easily access these car parks and it will reduce the number of cars entering the core city centre. Plus, as these car parks are owned by Kilkenny County Council this will increase the Council's revenue."

**13(24): Proposed by Cllr. Seán O'hArgáin.**

" That Kilkenny Municipal District of Kilkenny County Council restates its total support for the completion of Kilkenny's Ring Road and seeks a clear outline of the current works and works planned on Kilkenny Ring Road and on the roads planned to service the CBS Secondary school currently under construction. That this outline would include an update on the Castlecomer to Freshford Road section of the Ring Road, including the legal and planning issues outstanding and a timeline for the next actions to be taken. That this outline and timeline would be made publicly available to deter the concerns and confusion which currently exist among the general public and specifically those in the areas most directly affected."

**14(24): Proposed by Cllr. Seán O'hArgáin.**

" That Kilkenny Municipal District of Kilkenny County Council will seek a meeting with Transport for Ireland to discuss the expansion of Kilkenny City's Bus Service, including the following priorities:

- 1.** An expansion of the number of routes in the service to include more areas of the city.
- 2.** That these services would include pick-up and drop-off facilities for residents of the Hebron Park/Kieran's Crescent/Millennium Court area and Seville Lawns/Margaret's Field areas and other residential areas, where residents are currently forced to walk over a kilometre to access the existing routes.
- 3.** That these services would also service important retail and employment areas, including Kilkenny Retail Park and Purcellsinch Business Park.
- 4.** That these services would service medical facilities at Kilcreene Orthopaedic Hospital and nursing homes including Archersrath and Drakelands nursing homes."

**5. Aon Ghnó Eile - Any Other Business.**
