The Public Spending Code published by the CEE unit of DoPER.

EU funded schemes which should be retained to comply with EU fund requirements (i.e.) Article 140 of REGULATION (EU) No 1303/2013 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL. There is an absolute legal requirement to retain all relevant documentation relating to EU funding for a minimum period of 3 years after the closure of the Operational Programme under which the funding was provided and letter issued by EU Court of Auditors to that effect. In relation to funding under EU structural funds please note that as per Article 15(2) of EU Reg No 480/2014 the retention period for EU audit purposes is 30 years. EU retains the right to audit within that period. If audit a letter issued by the EU Court of auditors signifies the end of the audit process.

Exception being Sealed Contracts – a sealed contract includes professional indemnity insurance which carries a 12 year statute of limitations.
