#### PENALTIES

A person who knowingly makes a false or misleading statutory declaration is liable on conviction to a fine not exceeding €3,000 or imprisonment for a term not exceeding six months or both.

The following information was obtained from the records of the Department of Health and Human Services, Office of the Assistant Secretary for Health, regarding the activities of the National Health and Medical Research Council (NH&MRC) in the area of research on the health effects of ionizing radiation.

The NH&MRC has been active in the area of research on the health effects of ionizing radiation since its establishment in 1952. The Council has supported a number of research programs and has been instrumental in the establishment of the Australian Radiation Protection and Nuclear Safety Agency (ARPANSA) in 1973. The Council has also been active in the area of public information and education regarding the health effects of ionizing radiation.

The NH&MRC has supported a number of research programs in the area of research on the health effects of ionizing radiation. These programs have been conducted by a number of research institutions and have resulted in a number of publications and reports.

The NH&MRC has also been instrumental in the establishment of the Australian Radiation Protection and Nuclear Safety Agency (ARPANSA) in 1973. ARPANSA is responsible for the regulation of ionizing radiation in Australia and for the promotion of radiation protection measures.

The NH&MRC has also been active in the area of public information and education regarding the health effects of ionizing radiation. The Council has published a number of reports and brochures on this subject and has also been instrumental in the establishment of the Australian Radiation Protection and Nuclear Safety Agency (ARPANSA) in 1973.
