BACKGROUND

A framework for public engagement and participation, called Public Participation Network has been developed within each local authority area [engaging in and within Municipal Districts and at the County/City level] to enable the public to take an active formal role in the policy making and oversight activities of the Local Authority's areas of responsibility. The PPN is the main link through which the local authority connects with the community, voluntary and environmental sectors without prejudice to other consultation processes.

The aim of the structures and processes is to facilitate and enable the public and the organisations to articulate a diverse range of views and interests within the local government system, not to reduce or homogenise this diversity. A parallel and equally important aim should be to facilitate the local authority in making better and more timely decisions. To allow the diversity of voices and interests to be facilitated and involved in decision-making, a network has been set up in each county/city and municipal district.

Members of the local community interact with local government at different levels. The PPN facilitates input by the public into local government through a structure that ensures public participation and representation on decision-making committees and bodies within local government.

Key Objectives:

- Facilitates the participation and representation of communities in a fair, equitable and transparent manner through the environmental, social inclusion & voluntary sectors on decision making bodies.
- Strengthens the capacity of communities and of the environmental, social inclusion, community & voluntary groups to contribute positively to the community in which they reside/participate.
- Provides information relevant to the environmental, social inclusion & voluntary sector and acts as a hub around which information is distributed and received.

Purpose:

Kilkenny County Council now wishes to recruit a Public Participation Network Development Officer in order to support the work of the Secretariat to develop the PPN in Kilkenny as an effective structure to promote public engagement and participation via the environmental, social inclusion and community & voluntary sectors in accordance with the relevant guidelines.

The Development Officer will be a strongly motivated person, with a strong sense of commitment to the ideas and values inherent in the work of PPN.
