Presentation Helena Power KTCM – Community Development Pilot Project

Declan as chair welcomed Helena Power and Stephen Plunkett to the meeting from KTCM to present an update on the Community Development Pilot Project.

Helena gave a presentation which included the following: -

- The impact the Community Development Programme has had on KTCM, providing staff through CDP means there is somewhere that travellers can go for support.
- Improved engagement with Traveller Services, key actions, outputs and outcomes, building a rapport.
- The key messages, build and expand network, focus on traveller leadership and youth, create more opportunities to listen.
- Key outcomes, develop self-esteem, confidence and capacity within the community, inspire a belief through delivery of programmes and communication, set the direction.
- The impact, progress and growth, after schools 40 children, 24 people engaged in educational workshop, older groups, 10 young travellers on the Youth Council, healthy streets programme etc.
- Communication and visibility, Youth Council development & involvement and events, social media engagement, rolling out cultural and education programmes for primary and secondary school, organising events to promote Traveller culture and heritage.
- Going forward, time and continued support to evolve KTCM and Traveller leadership, understanding current Travellers existing activities, actively manage strategy on an ongoing basis, set standards, create interest and demand for KTCM's initiatives.

A number of committee members including Sheila Donnelly, Eileen Curtis, Sean McKeown, Angela Hayes and Declan Gibbons, congratulated Helena and Stephen on the fantastic work being done.

KTCM require a bigger space to meet the demand, a waiting list is in place to try and accommodate everyone on programmes.

A query arose on hubs dealing with disabilities. KTCM aim to make all spaces safe and accessible.

Technology is huge barrier, 56 on a waiting list to avail of LTI programme.

6. Report from Agencies

Sean McKeown A/CEO

Sean advised that a monthly Chief Executives report is presented every month at the Council Meeting and is available on the Kilkenny County Council website.

Budget is the biggest challenge going forward, Elected members agreed LPT will remain the same for 2023. Hopefully the budget next week will announce support packages for Local Authorities.

Dearbhala Ledwidge is now heading up Climate Action Team. Sean also updated on Ukrainians living in Kilkenny, housing, Kilkenny Day on Sunday 9th October, new South East Technological University.

Eileen Curtis ETB

Return to normality in September, challenge also with utility costs, inflation, hoping support packages for schools will be announced in the budget. Delivery of 2 new schools in Bregagh Valley, both have received planning permission.

Strategy statement launched, Application made to Solas hoping to be successful.

Providing ongoing support to Ukrainian refugees at the end of June, 90 students were in school in Kilkenny.

Simon Harris Minister Higher Education announced grant of over one million with significant investment in Grennan Equestrian Centre. Waiting outcome of 2nd application for Ormonde College.

Aileen McGrath LEO

A number of courses/programmes being organised, a successful programme in conjunction with KLP for Ukrainian went very well. Start-up business course will run again if demand is there.

Cookie co-op attended the ploughing championship and it went really well. National Women's Enterprise Day is Thursday 13th of October in Mountain View, Ballyhale.

Denis Drennan KLP

Update on the response to the Ukrainian, won bid for Local Area Employment services, manager appointed looking for a premises in Carlow. Piltown/Fiddown broadband project won a national award now nominated in European award next month out of 111 nominees, Piltown are representing Ireland, hopefully Piltown will inspire other communities/towns.

Sheila FRC

Working right through the summer with Ukrainians, a lot of trauma, play therapy going well with children. Won an award investing in Children, parents hub set up in the FRC working out great, especially for Ukrainians.

AOB

Healthy Ireland Round 4 – Provide a framework for next round of funding, once receive documents 10 weeks to complete local strategy.
