Have pledged to support and promote the Carlow/Kilkenny Not Around Us Campaign

The Not Around Us Campaign is an ask from young people to consider your activity in outdoor spaces, used by children and young people, so that our young people can experience smoke and vape free spaces and environments. The aim of the campaign is to de-normalise smoking and vaping around children and young people. "Not Around Us" is another step towards a Tobacco & Vape Free Carlow and Kilkenny

What does Carlow and Kilkenny's "Not Around Us" Campaign Achieve?

- Help to protect children and young people from second-hand smoke exposure
- Contribute to the de-normalisation of smoking and vaping for children and young people
- Raise awareness and support amongst all stakeholders in Carlow and Kilkenny on tobacco/vape free Ireland and everyone playing a part in supporting it
- Signpost to HSE Quit services – visit Quit.ie or call 1800 201 203
